pedro reeves is an ordinary young boy growing up in the city of los angeles as far as he can remember strange things always seem to happen around him and the only luck he ever has is bad luck his parents seem to be hiding something but he cannot figure out what it might be when he tells his best friend about it he is advised to never repeat it to anybody else pedro s father was in the military and disappeared many years ago without explanation no one can explain to his family what actually happened or where he is when pedro discovers that his family s home has been monitored ever since his father went missing it is clear there is more to his father s disappearance than he could have ever guessed years later pedro is approached by an old

woman who tells him a strange tale about two warring alien worlds battling for possession of earth she says she knows the truth about his father but will only tell him if he agrees to join her in the alien s war in hopes of finding his father pedro agrees and soon finds himself in situations he never thought were even possible

this book closely examines the mother figure in six works by african american women at various times in american history harriet jacobs s incidents in the life of a slave girl pauline hopkins s contending forces nella larsen s passing gwendolyn brooks s maud martha alice walker s the color purple and toni morrison s beloved it studies how the mother in each novel negotiates the ragged hostile landscape of a prohibitive environment to love protect and raise her children delving far deeper than surface explanations it is informed by psychological analysis to reveal the forces that create the unique tensions of the african american mother s life her inspired strategies for survival and the character of the nurturing she gives her children
