the overarching theme of this book is that the second coming of jesus happened in ad 72 and that therefore jesus is not coming again to rapture the church the book lays out a thorough exploration in support of this theme daniels prophecies are foundational especially his prophecy of the seventy weeks in daniel 9 2427 and his prophecy of four sequential fertile crescent mediterranean empires see daniel 7 the fourth empire or the roman empire is the key to understanding my theme with stress on the meaning of the horns on the head of the fourth beast see daniel 7 78 as proof of my theme i use the biblical code of two or three witnesses see e g deuteronomy 19 15 matthew 18 16 john 8 17 and 1 john 5 8 the three witnesses i give are daniel jesus and the collective apostles all of whom taught and agreed that jesus's second coming would take place before jesus's generation passed away matthew 24 34 furthermore i show how the epistles of the new testament reflect this theme by citing scores of passages from them for my readers to consider finally in chapter 5 of the book and in five appendixes i show how the book of revelation aptly interpreted fully agrees with this theme

this book was originally published in 1896 it has eight chapters each one written by a well known minister of the era except the last chapter written by an unknown with the initials j w written for the layman not the scholar each chapter is in one way or another about the return of christ it is a very good book for anyone seeking to learn the basics of the second coming of christ called eschatology even though i have written four books on bible prophecy i plan to read this book and add it to my library michael d fortner publisher authors of the chapters 1 harriet beecher stowe 2 d l moody 3 j c ryle 4 george muller 5 d w white 6 g c needham 7 charles h spurgeon 8 j w

belief in the second coming of christ is indispensable to biblical christianity it is also crucial to a positive and relevant christian worldview in a world that otherwise despairs of real hope an earthly hope without the prospect of life beyond death is illusory and shortlived writes the

author but a real hope of eternal life with god sets us free from anxiety about death and frees us to work for the transformation of the world the courage clarity and teaching skills of dr travis in this important book are going to help a great many people michael green as a guide to a healthy and biblical perspective in thought and life this book would take some beating it gloriously lives up to the solid affirmation of its title church of england newspaper dr stephen h travis is vice principal of st john s college nottingham england his other books include getting to know the new testament and the bible in time

what will become of those who are left behind this is a sad question but it is eagerly asked by many it may readily be supposed that the taking away of loved ones at the rapture will cause many of those left behind to seek the lord but as the holy spirit goes back with the church and for the time being ceases his office work of regeneration who is to convert those who are left from the second coming of christ the reverend clarence larkin was one of the most widely influential thinkers on end times prophecies of the early twentieth century and his writings remain vital to appreciating the apocalyptic christian thought that today enjoys widespread popularity this 1918 work outlines exactly what the bible predicts for the end of mankind s reign on earth and the return of the christian savior with a special emphasis on who is to be saved and why numerous charts and illustrations depict the judgment seat of christ the stages of the second coming the failure of man and more also available from cosimo classics larkin s the spirit world rightly dividing the word and the book of revelation american baptist pastor and author clarence larkin 1850 1924 was born in pennsylvania and later set up his ministry there he wrote extensively and popularly on a wide range of biblical and theological matters

life in this life is a journey and not a destination though the journey itself leads to an eternal destination heaven or hell in the interim between the journey and the destination everyone is busy trying to navigate the journey while not necessarily giving enough serious thought to the journey s final destination yes people are getting married or not divorcing pursuing educational and career goals saving and spending living life in the blind while paying little or no attention to the fact that time as we know it is running out of time most believers or christians believe christ will return one day and rescue his people out of this life although christians do typically believe and may even pray for the return of christ some lack a clear understanding of what the bible teaches about the second coming of christ on the other hand there is a disproportionate number or group of people that because they have been hearing all of their lives that jesus is coming back are ignoring the clear and concise prophetic

writing on the prophetic wall that time is running out of time nonetheless the bible is inundated with prophecies that are unmistakably clear regarding the second coming of christ therefore this book the second coming of christ the rapture and the revelation is a book that unveils and reveals the fact that prophecy is history written in advance the last word in its title revelation points to the appearing of christ at the culmination of the great tribulation for the battle of armageddon the battle of all battles this book is the sounding of the alarm that each of us should be through diligent preparation and godly steadfastness with uncompromising stick to itiveness living to live again each of us during this dispensation of grace will be upon christ s return left behind to undergo the unspeakable suffering of the great tribulation or either resurrected or translated in glorified bodies to meet christ in the air to go with him to heaven this book will help each of us embrace the fact that the rapture of the church is imminent or very close at hand each of us will either be caught up in glory at the rapture or left behind to endure unparalleled pain and suffering during the great tribulation

the second coming of jesus is the capstone of scripture but how does it relate to other teachings of the bible in what way are doctrines that launched the protestant reformation foundational to the certainty of the advent ed zinke connects the dots to reveal not only a coherent system of truth we can trust but a reliable god we can love he shoivs that doctrine is not an end in itself but a means of understanding the one who is coming for us this is a full message book foreword introduction is christianity christian the authority of the bible and the certainty of the second coming creation and the certainty of the second coming of relative truths and redemptive symbols the first coming prepares for the second coming salvation and the certainty of the second coming the sanctuary and the second coming such a cloud of witnesses and the second coming the witness of the remnant and the second coming should our nineteenth century prophetic schema be revised the certainty of the second coming the millennium the destruction of the wicked and the new earth god reveals his righteousness
