having come from mexico to california ten years ago fourteen year old francisco is still working in the fields but fighting to improve his life and complete his education

teaching young adult literature today introduces the reader to what is current and relevant in the plethora of good books available for adolescents more importantly literary experts illustrate how teachers everywhere can help their students become lifelong readers by simply introducing them to great reads smart insightful and engaging books that are specifically written for adolescents hayn kaplan and their contributors address a wide range of topics how to avoid common obstacles to using yal selecting quality yal for classrooms while balancing these with curriculum requirements engaging disenfranchised readers pairing yal with technology as an innovative way to teach curriculum standards across all content areas contributors also discuss more theoretical subjects such as the absence of lesbian gay bisexual transgender and questioning lgbtq young adult literature in secondary classrooms and contemporary yal that responds to the changing expectations of digital generation readers who want to blur the boundaries between page and screen this book has been updated to

reflect the wealth of new ya literature that has been published since the first edition appeared in march 2012 and to reflect new trends in technology that influences how adolescents are reading and responding to literature

leaving his home in a migrant community francisco sets off for college carrying memories of years of poverty and prejudice

in today s linguistically diverse classrooms it is essential for teachers to understand the needs of students who are acquiring english as an additional language a firm knowledge of theoretical and practical issues must be paired with a deep understanding of the human side of language learning language lessons stories for teaching and learning english is a short story anthology that offers valuable insight into the inner lives of language learners a wide variety of linguistic backgrounds is represented in the collection and the stories examine language learning issues over a broad range of time highlighting cultural political and social realities that can shape the language learning experiences of children and adults this volume can be used in a variety of education settings including undergraduate and graduate courses in tesol literacy studies and language arts and faculty development workshops suggestions for guiding written responses to the material are given and questions encourage readers to reflect on each story and to explore the multifaceted connections among stories

one in a million yes that s how rare it is to have so many write about reading strategies so beautifully put to use each year leslie blauman guides her students to become highly skilled at supporting their thinking about texts and in evidence based writing fiction she shares her win win process leslie combed the ela standards and all her favorite books and built a lesson structure you can use in two ways with an entire text or with just the excerpts she s included in the book addressing evidence character theme point of view visuals words and structure each section includes lessons you can use as teacher demonstrations or for guided practice with best the test tips on how to authentically teach the skills that show up on exams with the texts you teach prompt pages serve as handy references giving students the key questions to ask themselves as they read any text and consider how an author s meaning and structure combine excerpts to write about pages feature carefully selected passages from novels short stories and picture books you already know and love and questions that require students to discover a text s literal and deeper meanings write about reading templates scaffold students to think about a text efficiently by focusing on its critical literary elements or text structure demands and help them rehearse for more extensive responses writing tasks invite students to transform their notes into a more developed paragraph or essay with sufficiently challenging tasks geared for grades 6 8 and best of all your students gain a confidence in responding to complex texts and ideas that will serve them well in school on tests and in any situation when they are asked what are you basing that on show me how you know

the line dividing the united states and mexico is invisible imaginary drawn through shifting sands and changeable rivers the economic social and political issues surrounding this line however are all too real and the line snakes its way through a history of conflict through questions of definition maps and claims of ownership and personal and political gerrymandering in the imaginary line a history of the united states and mexican boundary survey 1848 1857 joseph richard werne sets out to explore this border and the men who drew it using a variety of sources including manuscripts government documents contemporary accounts and memoirs he creates a map of his own one that charts the intersection of individual lives politics and geography werne proposes to revise the common view of the u s mexican boundary survey commission as directed and funded almost entirely by the united states the recent release of documents and archived files from the mexican boundary commission allows further study of the mexican commission s role and demands recognition of

the equal mexican contribution to the commission s immense task the diverse group of military and civilian surveyors engineers and politicians that composed the joint commission had to reconcile disparate personal interests and backgrounds as well as different maps and equipment their efforts were of epic quality and represent the coinciding cooperation and conflict that describes border relations today werne s study describes their lives and work their survival of the hostile environment and their struggles with inadequate funding and government corruption tying their stories into the approaching civil war in the united states the rapidly lengthening transcontinental railroad and political instability in mexico

this companion to pbs tv s upcoming america s war on poverty series offers a profound look at one of america s most pressing problems through gripping interviews stories essays profiles and first person accounts this book helps readers share what it is like to be poor in america and also offers ideas for action against poverty

in an inspiring sequel to the award winning breaking through the author describes the many challenges he faced during his quest to continue his education including poverty family turmoil guilt and self doubt and become an academic success

the story of twenty four hours in the lives of three matadors the characters are invented based on men who have fought during the past ten years their actions are real and representative the story parallels the photographs taken by peter buckley who spent six bullfight seasons in spain to get the photos for this book
