if the republican party is no longer the party of barry goldwater ronald reagan newt gingrich small government or fiscal restraint then what is it and what s a self respecting less government fiscally conservative voter supposed to do has the gop lost its mind yes says author and rising star new york post columnist ryan sager in the surprising new book the elephant in the room outspoken and fed up sager a conservative and a libertarian foresees major upheaval ahead for the republican party as the long marriage of convenience between the social conservatives a k a the religious right primarily in the south and the small government conservatives a k a libertarians primarily in the west is unraveling and the

coalition that has put and kept the republican party in power faces disaster the possibility of a democratic resurgence is on the horizon not only would infighting cripple the gop but the people ready to jump ship control much of the campaign cash on wall street and elsewhere and crucial swing votes in leave us alone states such as arizona colorado nevada and montana as the nation s population and electoral map shift south and west the current republican party increasingly favors southern values religion morality tradition over western ones freedom independence privacy the result the party is in danger of losing its western base provocative and by turns hilarious and sobering the book deftly traces the rocky and colorful path the republican party has taken to bring it to its present precarious position sager saves his sharpest arrows for the current administration flag bearers of big government conservatism which sager interprets to mean that free spending big government is not so bad so long as it s republicans doing the spending and intruding into the lives of americans instead of democrats in short sager says the gop has adopted the political philosophy that anything goes so long as we stay all hope is not lost however and in the elephant in the room sager offers a way out of the mangled mess he calls it a renewal of fusionism a better blend between liberty and tradition freedom and responsibility one that emphasizes small government instead of republican controlled government morality instead of moralism and principles instead of politics

stephen k medvic s campaigns and elections addresses two distinct but related aspects of american electoral democracy both the processes that constitute campaigns and elections and the players who are involved in addition to this balanced coverage on process and actors it also gives equal billing to both campaigns and elections and to contests for both legislative and executive positions at the national and state and local level the book starts by providing students with the conceptual distinctions between what happens in an election and the campaigning that proceeds it significant attention is devoted to setting up the context for these campaigns and elections by covering the rules of the game in the american electoral system as well as aspects of election administration and the funding of elections then the book systematically covers the actors at every level candidates and their organizations parties interest groups the media and voters and the macro level aspects of campaigns such as campaign strategy and determinants of election outcomes the book concludes with a big picture assessment of campaign ethics and implications of the permanent campaign

an expansion on the author s argument for literacy in a is for ox

written in a bold inventive style xodus aims at a new positive reconstruction of african american maleness in light of the black womanist movement the men s movement the recent vision of malcolm x and martin luther king jr and the theological sensibilities of howard thurman
