an incredible new thriller you won t want to put down

the internationally bestselling guide to mind reading by influencing those around you via non verbal communication from human psychology expert henrik fexeus how would you like to know what the people around you are thinking do you want to network like a pro persuade your boss to give you that promotion and finally become the life of every party now with henrik fexeus s expertise you can the art of reading minds teaches you everything you need to know in order to become an expert at mind reading using psychology based skills such as non verbal communication reading body language and using psychological influence fexeus explains how readers can find out what another person thinks and feels and consequently control that person s thoughts and beliefs short snappy chapters cover subjects such as contradictory signs and what they mean how people flirt without even knowing it benevolent methods of suggestion and undetectable influence how to plant and trigger emotional states and how to perform impressive mind reading party tricks fexeus gives readers practical and often fun examples of how to effectively mind read others and use this information benevolently both in personal and professional settings

a thriller that will have you on the edge of your seat from the first page to the last a kidnapped boy a young child is snatched in broad daylight outside his nursery nobody in charge sees a thing but the other children say a woman is the culprit the police find a link detective mina dabiri calls on her close friend vincent to untangle the puzzle that surrounds the kidnapped boy as he finds a link between the boy and other others who have gone missing it becomes clear that time is running out for everyone involved a looming threat meanwhile mina s estranged daughter gets caught up in the secretive world of epicura a shadowy organisation that claims to be a centre for leadership development can mina protect her child a child who doesn t even know she exists

henrik fexeus uses his expert psychology knowledge to teach the reader how to hone their social skills perfect for fans of dale carnegie research has increasingly shown that nonverbal communication prowess is absolutely essential in seemingly unrelated areas of our lives investment decisions salary levels etc however as our society becomes more modernised and we incorporate new forms of technology into our daily interactions we are becoming less and less capable of understanding one another as we should in the art of social excellence henrik fexeus combines his own expert knowledge as a mentalist with psychology studies to create a complete guide to social interaction he covers it all from overcoming your conversational fears in a large group of people to excelling in the workplace to winning an argument with your partner he breaks down various rhetorical strategies in detail and provides helpful steps and checklists for the reader to check their progress in a social encounter anyone who has ever felt awkward or misunderstood in social situations will benefit from reading this book and with proper implementation of fexeus principles can achieve superior social skills

in this book you ll learn how to read subconscious signals in other people to find out what s going on in their minds at any given moment you ll know whether they like you or not and how you need to express yourself to make sure they ll stay on your side and accept your ideas

the epic conclusion to camilla läckberg and henrik fexeus pulse raising swedish crime thriller trilogy hello niklas sockenberg we hope you have been satisfied with our services during this time which has now reached its end you have 14 days 1 hour and 12 minutes left to live it is december in stockholm and sweden s minister of justice is under threat an anonymous note has told him he has four days left to live at the same time a human skeleton is found in the stockholm subway belonging to a high ranking financier police inspector mina dabiri s team still recovering from the traumatic incident last summer that ended in the death of a colleague calls in mentalist vincent walder to help with the case for vincent it feels as if the world is increasingly closing in on him when another pile of bones is found underground the group is once again put to the test what is going on in the tunnels deep under stockholm and who taunting the minister

recent surveys reveal that about 84 of men feel insecure in flirting situations whether due to lack of courage fear of judgment feeling intimidated by the beauty of women not knowing what to say or even because of an ingrained shyness this is because these men do not

understand the psychological aspects and mental triggers that are behind any human interaction in my teens i was very shy and embarrassed to talk to women who piqued my interest until i discovered that seduction and conquest skills could be learned and i could really become a skilled seducer if i learned the right techniques after studying human behavior a lot and even graduating from courses on influence and persuasion i became an expert in communication and finally understood how some men conquer women so easily as if they were true magnets and attracted them to themselves with very little effort thinking about helping other men to overcome these difficulties i wrote the book secrets of seduction where i teach all the powerful techniques of influence persuasion nlp and seduction that really changed my life i literally reveal all the secrets you ve never been told about relating to women in it i teach practical strategies from basic to advanced to overcome any mental block gain self confidence interpret signals of interest and just by looking know exactly who are the women who are interested in you i also approach the best communication techniques with an almost hypnotic power to create connections which helped me not only in the seduction aspect but also in several areas of my life i hope this book adds the same value to you as it did to me

this compilation represents a strenuous labour born out of a deep fascination with the power of literature to inspire educate and transform lives the book is the result of tiresome efforts for years for accumulation of knowledge and dissemination thereof on almost all issues an educated person needs for self development the purpose of this compilation is twofold to celebrate the enduring appeal of these beloved bestsellers and to explore the valuable lessons they impart from timeless self help books to contemporary masterpieces each selection offers a unique perspective on hundreds of themes ranging from pain and pleasure to ambition and resilience in a world brimming with literary treasures selecting just one book to read can be a daunting task and reading hundreds of self help books puts question to its sure possibility that s why i offer you this single recommendation just immerse yourself in the pages of this compilation within these covers you ll find a curated selection of the most influential and captivating self help books from across genres and eras each work has been carefully chosen for its ability to entertain enlighten and inspire so if you find yourself overwhelmed by the sheer volume of options fret not simply pick up this book and let its pages transport you to new worlds introduce you to unforgettable characters and ignite your imagination whether you re seeking motivation insights or lifelong lessons you ll find it within these pages from timeless self help books to contemporary favorites each selection offers a unique perspective on the human experience the book contains lessons and powerful insights from the following books table of contents preface foreword 1 a year of simply living 2 act like a lady think like a man 3 awaken the giant within 4 argue to win 5 art of living 6 attitude is everything 7 atomic habits tiny changes remarkable results 8 be water my friend 9 before you quit your job 10 being you a new science of consciousness 11 better than before what i learned about making and breaking habits 12 build the life you want 13 build the vision 14 careful what you wish for a novel of suspense 15 change how to make big things happen 16 choose your enemies wisely business planning for the audacious few 17 command your destiny a guide to success and power 18 crucial conversations tools for talking when stakes
