this much needed guide to translated literature offers readers the opportunity to learn about and perhaps better understand our shrinking world from the perspective of insiders from many cultures and traditions in a globalized world knowledge about non north american societies and cultures is a must contemporary world fiction a guide to literature in translation provides an overview of the tremendous range and scope of translated world fiction available in english in so doing it will help readers get a sense of the vast world beyond north america that is conveyed by fiction titles from dozens of countries and language traditions within the guide approximately 1 000 contemporary non english language fiction titles are fully annotated and thousands of others are listed organization is primarily by language as language often reflects cultural cohesion better than national borders or geographies but also by country and culture in addition to contemporary titles each chapter features a brief overview of earlier translated fiction from the group the guide also provides in depth bibliographic essays for each chapter that will

enable librarians and library users to further explore the literature of numerous languages and cultural traditions

this book explores how social and territorial boundaries have influenced the approaches and practices of the south africa police service saps by means of a historical analysis of south africa this book introduces a new concept police frontierism which illuminates the nature of the relationships between the police policing and boundaries and can potentially be used for future case study research drawing on a wealth of research this book examines how social and territorial boundaries strongly influenced police practices and behaviour in south africa and how social delineations amplify and distort existing police prejudices against those communities on the other side of the boundary focusing on cases of high density police operations public order policing and the recent policing of the covid 19 lockdown this book argues that poor economic conditions combined with an increased militarisation of the saps and a decline in public trust in the police will result in boundaries continuing to fundamentally inform police work in south africa this book will be of interest to scholars and students interested in policing in post colonial societies characterised by high levels of violence as well as police work and police militarization

from europe to the united states and beyond opportunistic politicians have exploited economic crisis terrorist attacks and an influx of refugees to bring hateful and reactionary views from the margins of political discourse into the corridors of power this climate has already helped propel donald trump to the white house pushed britain out of the european union and put marine le pen within striking distance of the french presidency sasha polakow suransky s on the ground reportage and interviews with the rising stars of the new right tell the story of how we got here tracing the global rise of anti immigration politics and the ruthlessly effective rebranding of europe s new far right as defenders of western liberal values go back to where you came from is an indispensable account of why xenophobia went mainstream in countries known historically as defenders of human rights and models of tolerance

every 3rd issue is a quarterly cumulation

this comprehensive resource features up to date bibliographical biographical and contact information for approximately 20 000 living authors worldwide who have at least one english publication entries typically include name pseudonyms addresses citizenship birth date specialization career information and a bibliography contact information includes e mail addresses where available

the manual is intended to inform field managers and operational agencies of the issues related to reproductive health affecting women adolescents and men in refugee situations and to serve as a tool to help implement monitor and evaluate reproductive health related interventions the purposes of the field manual are 1 to focus attention on and familiarize field staff with an aspect of refugee rights and welfare which has been too often widely overlooked 2 to offer guidance to field staff in introducing and implementing reproductive health services in refugee situations 3 to foster coordination between potential partners the manual describes the components of a comprehensive reproductive health service these should be adapted to each situation as not all components will be equally relevant in each each chapter begins with a summary of its contents chapters one and two cover important general topics the

following chapters cover a specific aspect of reproductive health helpful tools for project implementation and a list of further reading are provided as appropriate as chapter annexes appendices at the end of the manual contain essential documents on information education and communication iec legal considerations a glossary of terms used in the manual and an evaluation form
