english reformation culture centred on the word preached throughout this period the most important public pulpit was paul s cross this book provides a detailed history of the paul s cross sermons exploring how they were delivered and the tensions between the authorities who controlled them

the minnesota book of days is a entertaining and educational day by day account of minnesota history chronicling important events famous firsts notable individuals and interesting incidents tony greiner s thorough research and keen sense of the offbeat combine to produce a book that is both serious history and unexpected fun a perfect gift and a handy compendium did you know that the mercury sank below freezing on the fourth of july in 1859 or that on august 18 1929 a 350 pound bear wandered into the lounge of the hotel duluth or that on october 8 1956 the world s first fully enclosed shopping mall southdale shopping center opened in edina this handy guide explores famous and not so famous aspects of minnesota s history in lively entries for each day of the year whether you re a visitor or a lifelong resident these tidbits about noteworthy events and people just might inspire you to explore minnesota history in greater depth

biblical eschatology provides what is not found in any other single volume on eschatology it analyzes all the major eschatological passages including the olivet discourse and the book of revelation issues including the second coming of christ the millennium the rapture and antichrist and positions including all the major views of the millennium in a clear but not superficial way the book concludes with a chapter showing how eschatology is relevant for our lives biblical eschatology makes understanding eschatology easier by including chapters on how to interpret prophecy and apocalyptic literature by showing the history of eschatological thought and by placing eschatology in the context of the bible s overall story line and structure clarity and understanding are enhanced by the use of comparative tables and appendices subject and scripture indexes are included the book interacts with the best of evangelical

and reformed scholarship and the extensive bibliography which includes the web addresses of many online resources provides an excellent source for the reader s further study this is a perfect resource for intelligent christians including pastors students and teachers who desire to understand eschatology and to see how it fits together with the rest of the bible

what is modernity where are modernitys points of origin where are its boundaries and what lies beyond those boundaries allegory and enchantment explores these broad questions by considering the work of english writers at the threshold of modernity and by considering in particular the cultural forms these writers want to leave behind from the fourteenth to the seventeenth centuries many english writers fashion themselves as engaged in breaking away from an array of old idols magic superstition tradition the sacramental the medieval many of these writers persistently use metaphors of disenchantment of awakening from a broken spell to describe their self consciously modern orientation toward a medieval past and many of them associate that repudiated past with the dynamics and conventions of allegory in the hands of the major english practitioners of allegorical narrative william langland john skelton edmund spenser and john bunyan allegory shows signs of strain and disintegration the work of these writers seems to suggest a story of modern emergence in which medieval allegory with its search for divine order in the material world breaks down under the pressure of modern disenchantment but these four early modern writers also make possible other understandings of modernity each of them turns to allegory as a central organizing principle for his most ambitious poetic projects each discovers in the ancient forms of allegory a vital powerful instrument of disenchantment each of them therefore opens up surprising possibilities that allegory and modernity are inescapably linked that the story of modern emergence is much older than the early modern period and that the things modernity has tried to repudiate the old enchantments are not as alien or as absent as they seem

a guide to major u s businesses organizations agencies institutions and other information resources on the world wide
