Fascinating womanhood offers guidance for a new generation of women happy fulfilled adored and cherished who want to rediscover the magic of their own feminine selves.

Interpreting Life depicts one Christian woman's struggle to determine her place in the home and church as the traditional roles of the 1950s gave way to the chaos created by the social movements of the 1960s and 1970s. Burke's lengthy journey brought her from a state of confusion to a conscious awareness of the effects of her cohort conservative religious beliefs and close relationships on her personal and spiritual development from childhood she worshipped with a church where submission scriptures in the New Testament were taken literally and women were not allowed to participate in any public leadership roles such as leading prayers and songs teaching adults or preaching. As society changed and women gradually acquired leadership roles in other organizations these church practices became more stifling preventing many conservative women from using their God-given talents. Because of her marriage to a minister where she felt her family was living in a glass house it became exceedingly frustrating to adhere to traditional religious values. Throughout this process their marriage relationship was repeatedly challenged but their commitment to each other and the church helped them resolve their differences and work together to reinterpret women's roles in the church. Journal writing was the technique used to make sense of the contradictions and internal conflict experienced as this Christian woman attempted to remain faithful to her religious beliefs and yet develop to her full potential. Excerpts from

over thirty years of writing reveals the strategies burke employed to remain positive and productive as family and church priorities took precedent over her own dreams

notorious as much for its fashion as for its music the 1960s and 1970s produced provocative fashion trends that reflected the rising wave of gender politics and the sexual revolution in an era when gender stereotypes were questioned and dismantled and when the feminist and gay rights movements were gaining momentum and a voice the fashion industry responded in kind designers from paris to hollywood imagined a future of equality and androgyny the unisex movement affected all ages with adult fashions trickling down to school aged children and clothing for infants between 1965 and 1975 girls and women began wearing pants to school boys enjoyed a brief peacock revolution sporting bold colors and patterns and legal battles were fought over hair style and length however with the advent of diane von furstenberg s wrap dress and the launch of victoria s secret by the mid 1980s unisex styles were nearly completely abandoned jo b paoletti traces the trajectory of unisex fashion against the backdrop of the popular issues of the day from contraception access to girls participation in sports combing mass market catalogs newspaper and magazine articles cartoons and trade publications for signs of the fashion debates paoletti provides a multigenerational study of the white space between or beyond masculine and feminine

a brilliant history of american beliefs about the family and how those ideas have affected our politics since the 1960s washington monthly in the 1960s lyndon johnson s great society and war on poverty promised an array of federal programs to assist working class families in the 1980s ronald reagan declared the gop the party of family values and promised to keep government out of americans lives again and again historians have sought to explain the nation s profound political realignment from the 1960s to the 2000s five decades that witnessed the fracturing of liberalism

and the rise of the conservative right the award winning historian robert o self is the first to argue that the separate threads of that realignment from civil rights to women s rights from the antiwar movement to nixon s silent majority from the abortion wars to gay marriage from the welfare state to neoliberal economic policies all ran through the politicized american family based on an astonishing range of sources all in the family rethinks an entire era from the great society s default assumption of a white heterosexual man at the head of each household to the quests for equal rights and opportunities for a broader range of citizens and a more inclusive idea of the american family he discusses the roe v wade decision and antidiscrimination protections in the workplace and the furious conservative backlash that began in the 1970s as figures such as george wallace phyllis Schlafly anita bryant and jerry falwell built a political movement based on the perceived moral threat to the traditional family self writes that family values conservatives in fact paved the way for fiscal conservatives and that reagan s presidency united the two constituencies which remained for decades the base of the republican party this is a powerful well researched account of how the efforts of marginalized groups to assert their rights as citizens ran up against the resistance of entrenched privilege setting the stage for the polarization that grips us politics today self reminds us that our democracy is an imperfect thing only as noble as the people who constitute it the boston globe

marabel morgan defines the total woman anita bryant leads a moral crusade beverly lahaye defies feminism tammy faye bakker becomes a gay icon sarah palin and michele bachmann vie for the white house

forty years of feminism and still women do the majority of the housework why in fact while women are making slow but steady gains on gender disparities in the workplace at home the gap is widening in the uk the average heterosexual british woman puts in 12 more days of household labour per year than her male companion while young american men are now twice as likely as their fathers to think a woman s place is in the home and when having it all so often means hiring a nanny or cleaner is it something to aspire to sally howard joins up with a cohort of feminist separatists undertakes a day s shift with her lithuanian cleaner lives in a futuristic model home designed to anticipate our needs and meets latte papas and one percent parents in this lively examination which combines history and fieldwork with her personal story the home stretch is a fascinating investigation into how we got here and what the future could look like for feminism s final frontier the domestic labour gap

loving and romantic statements from aubrey andelin to his wife helen b andelin author of fascinating womanhood the personal success story of how the teachings

of fascinating womanhood affected the marriage of its author previously unrevealed

discusses concepts associated with the histories of and conflicts between innatism environmental feminism superior feminism and the differential equality theory concerning women

a popular genre from colonial times to 1900 the conduct book provides the youthful reader with authoritative guidance about right moral religious and gender role behavior with the aim of teaching the young what they need to know and believe about society's expectations for the ideal young man and woman the genre codified true american manhood and womanhood until now conduct books have been mixed in and cataloged with books on manners etiquette education religion or success this guide provides an analytic and historical overview of the conduct book as a genre and its cultural work in america with an annotated bibliography of over 500 books it is the first work to provide scholars interested in studying the cultural stance intent and importance of conduct of life texts with easy access to conduct books the book provides an extensive overview of the conduct book with separate chapters on the development of conduct books for children men and women the fully annotated bibliography which lists the conduct books by their intended audience includes 196 conduct books for children 142 texts for young men 188 titles for young women and 57 texts for adults of either sex in addition the work includes a short selected bibliography of secondary sources and an index this guide opens the genre for further study
