maxed out defense meets an unyielding secret boss the newly opened ninth stratum presents players with a choice between two kingdoms that will be the backdrop for a large scale pvp battle right away guilds form alliances and start scheming against their foes maple has her fair share of friends and adversaries so she ll have to make tough calls on who to ally with and which kingdom to choose to get an edge on the competition maple is doing what she does best wandering around until she gets into trouble unfortunately she stumbles across a hidden quest that drains her mp and seals nearly all her skills will this challenge be too much for even her defense to handle

the large scale pvp event has reached unprecedented heights with top players being eliminated even on the first day maple tree and the order s next strat includes a plan to rain down insta death poison over the enemy lines with a lightning fast strike by just three players maple sally and frederica the enemy camp is thrown into chaos determined to take maple out they launch a counterattack but

if it s maple tree expect the unexpected unlikely and unthinkable finally the long awaited tenth event begins maple tree and the order of the holy sword form an alliance but they are up against flame empire thunder storm and rapid fire with some of the strongest and craziest guilds teaming up an epic battle is inevitable however with first rate players on both sides the combat comes to a standstill to break the stalemate pain spearheads an all out assault and sally hatches an outlandish scheme using maple s unpredictable skills they ll strike fear in the hearts of their enemies

the gamedevs turn up the heat maple tree swept the prelims and then reunite for the eighth event s main round a brutal three day survival mission each member tamed monsters that perfectly fit their unique builds and are unmatched in combat the guild s feeling confident thanks to the perfect plan they ve devised but the devs aren t going to make it easy will maple tree be ready for the challenges lying in wait teaming up with rival guilds maybe the only way to make it to the end of this harsh trial equipment mud of dead spirit skills

hunt sea monsters they ve got other plans the ninth event is here and the entire player base must work together to defeat enough aquatic monsters before time is up maple tree is so powerful they sweep the battlefield with little trouble other than iz who s after limited edition crafting materials the guild members aren t really

invested in an event that s not challenging or competitive instead they spend their time searching for rare monsters and bosses or scouting out other guilds any info they gather is priceless if they want an edge in future pvp events this has never been more important now that two up and coming guilds have declared themselves maple tree s rivals and they ve got beastly members of their own who can give maple and sally a run for their money

maple tree has just reached the seventh stratum and there s only one thing on everyone s minds get every member of the guild their very own pet monster there isn t a moment to lose because the next event is about to begin and pets are supposed to be critical since maple already has syrup and sally has oboro they re helping everyone else find their partners while exploring the massive new map of course maple still somehow finds a way to stumble into even more insanity

a new stratum means new monsters on the menu the exciting large scale pvp battle was full of challenges forging bonds and deepening friendships between maple tree and the other top players now that it has come to a spectacular close the game admins announce the opening of the tenth stratum the map is the largest yet and a super boss is hiding somewhere in that vast area everyone is hyped to start exploring and pitch in to track down the boss so sally and maple kick things off by preying on the unsuspecting tenth stratum monsters and when maple acquires a new skill this time it ll involve her splitting apart

sunken ships lost treasure and underwater adventure maple tree arrives on the eighth stratum to find a whole new world under the sea they ll have to dive deep to explore and master fighting in the water maple s defense build isn t designed for the speed and agility required to swim but she ll find a way thankfully sally s already a skilled swimmer with her help the rest of the guild heads out to find what awaits them on the ocean floor and what lurks in the dark depths

the eighth event ended spectacularly with maple tree and the game s two best guilds teaming up in an epic boss battle now that things are quieting down maple and sally head out to explore a hidden dungeon together a flying castle where one false move spells death for anyone else at least they take selfies act like tourists and enjoy the simple pleasures of just hanging out however that laid back vibe may not last long with the appearance of new rivals a girl wreathed in lightning an intimidating aoe specialist a master archer and a guild master dressed as a maid there s no doubt the best players in the game are watching maple tree closely and preparing for future battles
