this book showcases the online activism of women s groups around the world in the post metoo era and presents an overview of the diversity of its current expressions the focus of this book extends beyond campaigns against rape culture to include women s struggles on other political and environmental issues such as the campaign against the radical right wing in austria moreover the book s chapters highlight the genuine complexity of the efforts of women activists who are not only challenging the patriarchal order within male controlled digital platforms but are also challenging the hegemonic voices within the women s movements the book s case studies attest to the proliferation of digital campaigns aimed not only against discrimination of women but against discrimination based on their color age ethnicity and nationality the internet helps them to voice their agenda and strive for social change as well as to create both connective and collective identities

focuses on the problems of investigating interdisciplinary topics in women s studies working with controlled vocabularies and inconsistent indexing and locating feminist scholarship the contributors analyze these problems in general terms and also suggest practical strategies for making online research more effective and productive paper edition 053 9 22 95 annotation copyrighted by book news inc portland or

following the arab spring events in 2011 a number of important women s social movements as well as female figures and online communities emerged to create positive change and demand equality with men in women s activism and new media in the arab world ahmed al rawi discusses and maps out new feminist movements organizations and trends assessing the influence of new media technologies on them and the impact of both on the values and culture of the middle east due to the participation of many women in the events of the arab spring he argues a new image of middle eastern women has emerged in the west as a result of social media women have generally become more effective in expressing their views and better connected with each other yet at the same time some women have been inhibited since many conservative circles use these new technologies to maintain their power overall however al rawi argues that social media and new mobile technologies are assisting in creating changes that are predominately positive often assisted by these new technologies the real change makers are women who have clear agencies and high hopes and aspirations to create a better future for themselves

these volumes provide an authoritative reference resource on leadership issues specific to women and gender with a focus on positive aspects and opportunities for leadership in various domains

bachelor thesis from the year 2017 in the subject business economics offline marketing and online marketing grade 1 7 university of frankfurt main language english abstract gender marketing as a new holistic marketing approach has been intensely discussed over the last couple of years at the first glance it can surely appear discriminating to differentiate customers by gender but the genuine intention of gender marketing is to accept and appreciate both genders as they are and develop products according to their gender specific needs therefore it is important to understand that by talking about gender it does not imply talking about fixed roles of males and females in society those roles have changed significantly over the last decades and are expected to continue changing over upcoming years it rather means taking gender specific needs wishes and characteristics in consideration while developing products and company strategies in order to achieve long term success and customer loyalty but why is this even relevant women have been buying products anyway right certainly women have been buying products without a gender specific approach already however the truth is that our markets are saturated and the flood of information customers are confronted with everyday exceeds their cognitive ability this itself shows the importance of tailoring products as well as communication strategies to customers needs additionally as mentioned above social statuses of men and women have been changing continuously as a result of women s access to higher education better careers and with that higher incomes independence of women has enhanced over time even if women already have a strong purchasing power it has not reached its full potential yet what also comes along with being independent and earning own money is making ones own decisions women and men differ in their general decision making process and buying behavior thinking of women already buying products which do not perfectly fit their needs in an environment either offline or online they do not feel completely comfortable in it can lead to an enormous competitive advantage to adjust product and selling strategies to your customers needs transferring this to e commerce and buying behavior online there are significant differences between male and female throughout the decision making process that draw companies attention in order to optimize communication strategies and product development

drawing on a wealth of regimental histories newspaper archives and a host of previously unreported accounts hall shows that women served in more capacities and in greater number perhaps several thousand than has previously been known they served in the infantry cavalry and artillery and as spies scouts saboteurs smugglers and frontline nurses from all walks of life they followed husbands and lovers into battle often in male disguise that remained undiscovered until they were wounded or gave birth and endured the same hardships and dangers as did their male counterparts

the women s information directory wid is a comprehensive guide to resources for and about women in the united states wid provides current detailed information on a wide range of print and live resources

expands the picture of early american modernism well beyond new york city s dominant impact on the movement by revealing the rich and vibrant modernist art community that new york socialite mabel dodge luhan created in her famous taos new mexico salon
