the essentials of regression analysis through practical applications regression analysis is a conceptually simple method for investigating relationships among variables carrying out a successful application of regression analysis however requires a balance of theoretical results empirical rules and subjective judgement regression analysis by example fourth edition has been expanded and thoroughly updated to reflect recent advances in the field the emphasis continues to be on exploratory data analysis rather than statistical theory the book offers in depth treatment of

regression diagnostics transformation multicollinearity logistic regression and robust regression this new edition features the following enhancements chapter 12 logistic regression is expanded to reflect the increased use of the logit models in statistical analysis a new chapter entitled further topics discusses advanced areas of regression analysis reorganized expanded and upgraded exercises appear at the end of each chapter a fully integrated page provides data sets numerous graphical displays highlight the significance of visual appeal regression analysis by example fourth edition is suitable for anyone with an understanding of elementary statistics methods of regression analysis are clearly demonstrated and examples containing the types of irregularities commonly encountered in the real world are provided each example isolates one or two techniques and features detailed discussions of the techniques themselves the required assumptions and the evaluated success of each technique the methods described throughout the book can be carried out with most of the currently available statistical software packages such as the software package r an instructor s manual presenting detailed solutions to all the problems in the book is available from the wiley editorial department

the gospel of matthew contains many repeated phrases and double stories scholars have usually used this as evidence to support various source theories taking a different approach this book uses narrative and reader response criticisms to explore the role verbal repetition plays in the rhetoric characterization and plot of the gospel the importance of variation context and the temporal dimension of narrative is highlighted a concluding chapter treats two literary studies of repetition in modern narrative and the relation of narrative and reader response criticisms to aural reception of the gospels in the first century

this new edition of the classic guide offers a thorough and accessible introduction to contemporary critical theory it provides in depth coverage of the most common approaches to literary analysis today feminism psychoanalysis marxism reader response theory new criticism structuralism and semiotics deconstruction new historicism cultural criticism lesbian gay queer theory african american criticism and postcolonial criticism the chapters provide an extended explanation of each theory using examples from everyday life popular culture and literary texts a list of specific questions critics who use that theory ask about literary texts an interpretation of f scott fitzgerald s the great gatsby through the lens of each theory a list of questions for further practice to guide readers in applying each theory to different literary works and a bibliography of primary and secondary works for further reading this book can be used as the only text in a course or as a precursor to the study of

primary theoretical works it motivates readers by showing them what critical theory can offer in terms of their practical understanding of literary texts and in terms of their personal understanding of themselves and the world in which they live both engaging and rigorous it is a how to book for undergraduate and graduate students new to critical theory and for college professors who want to broaden their repertoire of critical approaches to literature

lively original and highly readable an introduction to literature criticism and theory is the essential guide to literary studies starting at the beginning and concluding with the end chapters range from the familiar such as character narrative and the author to the more unusual such as secrets pleasure and ghosts now in its fifth edition bennett and royle s classic textbook successfully illuminates complex ideas by engaging directly with literary works so that a reading of jane eyre opens up ways of thinking about racial difference for example while chaucer raymond chandler and monty python are all invoked in a discussion of literature and laughter the fifth edition has been revised throughout and includes four new chapters feelings wounds body and love to incorporate exciting recent developments in literary studies in addition to further reading sections at the end of each chapter the book contains a comprehensive bibliography and a glossary of key literary terms a breath of fresh air in a field that can often seem dry and dauntingly theoretical this book will open the reader s eyes to the exhilarating possibilities of reading and studying literature

the new testament portrays the apostles as placing great emphasis on jesus resurrection in their preaching and teaching this emphasis is often lacking however in contemporary preaching and teaching if jesus resurrection is to regain the centrality it held in the apostolic age its significance must be understood in this study brian main attempts to understand the significance of jesus resurrection in the gospel of matthew since jesus resurrection is the proper conclusion of the story in matthew it is necessary to understand what the story is that it concludes by analyzing the characters settings plot and point of view in matthew 1 1 4 11 as well as those in the resurrection narrative 28 1 20 main and his readers come to grasp the expectations that matthew s audience develops as that story unfolds as readers understand those expectations they will gain a better appreciation of what was at stake when jesus experienced opposition and therefore of what was restored and guaranteed by his resurrection

with its detailed and wide ranging explorations in history philosophy and law this book is essential reading for anyone interested in how the constitution ought to be

interpreted and what it means to live under a constitutional government book jacket issues for 1894 1903 include the section psychological literature
