explains why the department of education was formed what the main duties of the secretary and the department are and the key achievements of the office

originally published in 1979 the primary aim of the department of education and science was to provide a contemporary account of the department at work to explain what it tries to do and how it takes place in the machinery of government central and local and to say something about the people who work in it there is necessarily some history of the department which had undergone much change since the end of the second world war rather than try to bring it completely up to date the chapters concentrate on developments in the department's work over the three decades following the enactment of the education act 1944 during which it acquired its present shape and range of functions today it can be read in its historical context

special edition of the federal register containing a codification of documents of general applicability and future effect with ancillaries

briefly surveys more than two centuries of american political history to describe how the country has been broken spiritually politically and financially and advocates a return to core values to restore america's economic and spiritual health
