reading and writing for pleasure represent issues of global concern and interest in policy research and practice underpinned by evidence illustrating their importance for young people's academic, social and emotional experiences and outcomes in the face of a sustained decline in children's enjoyment in both reading and writing. This highly significant book presents findings from a three-year study of research and practice that nurtures young people's engagement as readers and writers. The book offers a rich understanding of the study, highlighting the commonalities and synergies identified from the research literature and diverse practice contexts. It introduces a new and powerful reading and writing framework for practice for schools and charitable literacy programmes. The authors offer practical strategies and recommendations throughout for practitioners, researchers and policy makers who wish to advance this agenda in their own contexts. Areas covered include the nature of reading and writing for pleasure, literate identities, motivating readers and writers, social interactions, role models and connected communities, future research, practice and policy. This field-defining text is a key resource for all those committed to halting the decline in young people's engagement as volitional readers and writers.

Creative writing covers a wide range of writing expertise. It includes fictional, imaginative writing, short stories, novels, poetry and drama. It also extends to articles for magazines, newspapers, journals, newsletters. In fact, any kind of writing that incorporates research, planning, creativity and style. This book will help people who, as part of their leisure interests or as part of their job, need to write in structured and yet creative ways. It assumes that writers want to extend and develop their skills, perhaps aiming for publication. Creative writing has been written as a self-learning guide. Each unit is introduced by a statement of its objectives. At the end of each unit, you will find a summary of the main points covered. Activities are included to prompt you to put the objectives into practice. In addition, there are six major assignments spaced throughout the book. A self-learning guide set out with objectives, summaries, activities and major assignments enables you to write for publication. Written by an established writer who has been the director of courses on creative writing and on publishing, Alan Jamieson is well placed to pass on a wealth of knowledge to aspiring writers.
