the party of treason in ar is triumphant after the disaster of the delta campaign ar is substantially defenseless the forces of cos and her allies are welcomed into the city as liberators ar s station which held out so valiantly against superior forces in the north is denounced as traitorous veterans of the delta campaign are despised and ridiculed patriotism and manhood are denigrated ar s walls are being dismantled willingly by her own citizens to the music of flute girls lawlessness and propaganda are rampant marlenus the great ubar who might have organized and led a resistance who might have rallied the city is presumed dead somewhere in the volta mountains the home stone of ar s station is displayed in ar as an object of contempt marcus of ar s station wishes to regain the home stone of his beloved city for no city can die whose home stone survives cabot is concerned with a warrior s vengeance upon sedition and treachery and in particular with meeting one

who stands high amongst the conspirators a beautiful woman now enthroned as ubara whose name is talena

cities even private individuals may from time to time hire soldiers either to supplement their indigenous forces or to conduct particular ventures perhaps of reprisal perhaps even of acquisition on gor there are numerous mercenary companies some larger some smaller whose services may be purchased or bid upon for given periods of time the allegiance of these companies is to their pay and their captains the forces of cos and tyros powerful maritime ubarates and their allies have now beached upon the mainland and are utilizing the city of torcodino as a repository for supplies preparatory to marching on a nigh undefended and unprepared ar should ar fall the disinterested tolerances and neutralities and even the balance of power long sustained between ar and the great maritime ubarates things which made possible the existence of the independent companies will vanish a development threatening the very existence of the independent companies in a surprise attack a mercenary captain dietrich of tarnburg seizes torcodino intending to forestall the imminent march against ar until she has time to arm and defend herself cabot en route to ar has inadvertently been trapped in torcodino when it was seized by dietrich he agrees to carry secret and urgent letters for dietrich now besieged in torcodino to the administration of ar ar must act but when cabot arrives in ar it is a city riven by doubt and dissension and treason to whom shall the letters be delivered and whom can he trust

tarl cabot has always believed himself to be a citizen of earth he has no inkling that his destiny is far greater than the small planet he has inhabited for the first twenty odd years of his life one frosty winter night in the new england woods he finds himself transported to the planet of gor also known as counter earth where everything is dramatically different from anything he has ever experienced it emerges that tarl is to be trained as a tarnsman one of the most honored positions in the rigid caste bound gorean society he is disciplined by the best teachers and warriors that gor has to offer but to what end this is the first installment of john norman s wildly popular and controversial gor series which has sold millions of copies

welcome to gor a parallel earth where social norms are exotic and the way of life is brutal in the fifth book in the gorean series the deadly assassin kuurus is intent on a bloody mission of vengeance his adventure takes him from the caste of the pleasure slaves which are rigorously trained in the rules and techniques of sexual ecstasy to the brutal arenas where humans participate in deadly hand to hand combat he witnesses violence conflict and uncertainty as the inhabitants of counter earth are forced to confront their destinies no matter how exalted or debased

former earthman tarl cabot is now a powerful tarnsman of the brutal and caste bound planet of gor also known as counter earth he embarks on an adventure in the dangerous and mysterious wilderness of gor pitting his warrior s skills against treacherous outlaws bandits and fighters three different women are working to bring change to tarl s far from peaceful life on gor talena his onetime queen and first love elizabeth his brave fighting partner and the amazonian verna chief of the fierce and wild panther women as tarl journeys through the wilderness the fates of these three remarkable women will finally be decided

join celebrated tarnsman tarl cabot in his latest adventure on the parallel planet of gor and its exotic lifestyle and social norms tarl has dedicated his life to ensuring that the priest kings survive the harsh lands of gor but a savage tribe that closely guards its secrets has halted his quest to continue it tarl must unravel the mysteries of this strange private band of nomads called the wagon people at risk of his life he is the only man alive who has not trembled in the presence of this mysterious tribe now he is embarking on the most perilous adventure of his time on the counter world of gor will he be accepted by the tribe and learn the secrets they guard with their lives or will he die trying

this is the third installment of john norman s popular and controversial gor series tarl cabot is the intrepid tarnsman of the planet gor a harsh society with a rigid caste system that personifies the most brutal form of social darwinism in this volume tarl must search for the truth behind the disappearance of his beautiful wife talena have the ruthless priest kings destroyed her tarl vows to find the answer for himself journeying to the mountain stronghold of the kings knowing full well that no one who has dared approach the priest kings has ever returned alive

taken as a possession judy thornton an earth resident is found meandering in the wilderness of the earthlike planet of gor in keeping with the uncivilized culture of the goreans she is trained and used as a slave what her masters don t know is that judy is more than just a beautiful chattel she has the power to obliterate gor and all that is related to it determined to seize control of her priest kings and kur monster enter combat neglecting the fact that the fate of gor rests in the hands of the ethereal judy

the games of gor are diverse as are their players there are the games of planetary politics in which worlds are contested and those of cities and ubarates of ponderous cavalries and fleets of lateen rigged ships and smaller games bloody games played on a square of sand in which the counters and pieces are edged weapons and too there is kaissa common on gor played with pieces of wood on a board of a hundred squares one might think little would

depend on the outcomes of such a benign recreation but one could be wrong the major land power in the northern latitudes of known gor has long been the imperium of mighty ar against her hegemonies on the continent plans by her major enemies the maritime ubarates of cos and tyros have been carefully drawn projectively to involve attack from without and subversion from within cabot once of earth is drawn into these intrigues a foiled plot laid against his life leads him to the port city of brundisium where he obtains not only satisfaction but keys to enciphered documents germane to the machinations of cos and tyros these should be delivered to ar but the armada of the maritime ubarates is already entering the collaborating port of brundisium

john norman takes you on a journey to world s end a set of once unknown islands far west of the continental mainland lying across vast turbulent thassa these mysterious islands were reached for the first time during the historic voyage of the ship of tersites now this remote locale has been chosen by two warring technologically advanced species the bestial imperialistic predatory kurii and the retiring secretive priest kings the gods of gor on this all too real gaming board a roll of the dice will determine the fortunes and fate of gor and perhaps that of earth few realize the momentous nature of the conflict seeing in it no more than a local war for territory and power those who grasp the dimensions of the game realize that the stakes are nothing less than the world itself rediscover this brilliantly imagined world where men are masters and women live to serve their every desire

the maritime ubarate of cos with her allies is mounting an attack on ar on two fronts from the south with a major invasion force and in the north with an expeditionary force besieging ar s station ar s base of power in the vast arable basin of gor s mightiest river the vosk dietrich of tarnburg a mercenary has seized torcodino in the south with its stores of military supplies to temporarily halt the march of cos on ar to buy ar time to organize for her defense cabot has delivered letters from dietrich to the regent of ar gniewus lelius apprising him of the city s danger and the situation at torcodino and he has in turn been entrusted with letters from the regent to be delivered to the besieged ar s station in virtue of treason in ar her main forces have been drawn away from the city and are now are wintering at holmesk thus ar is substantially defenseless and ar s station is abandoned at ar s station cabot betrayed by the very missives he conveyed is arrested as a spy in the destruction wrought in ar s station by siege engines cabot escapes his imprisonment shall he then flee ar s station making his way to freedom through its miseries and desolations its ruins and flames or shall he remain to defend as he can to the death if need be her weakened betrayed starving defenders those who had been his very captors

take a journey across space and time into the farthest reaches of the human imagination with this book that describes more than 1 500 places and their inhabitants illustrations

puzzling disturbing rumors have reached port kar tarl cabot warrior and merchant pirate and slaver once of earth now of gor learns that the farther islands thera daphna and chios west of the island ubarates of cos and tyros are being bloodily and systematically ravaged by corsairs supposedly led by himself by bosk of port kar as he is commonly known how could this be what is one to make of it why would so cruel and outrageous a hoax apparently pointless be perpetrated who would dare to do so and in the meantime shipping is assailed and towns and villages are looted and burned tarl cabot will investigate he will seek vengeance his quest will carry him to the taverns and palaces of corrupt luxurious decadent sybaris on thera where life is cheap and collared slave girls plentiful where ruthless corsairs live by the sword and whip and into strange and dangerous waters teeming with predatory vessels and monstrous sea life as the mystery is unraveled bit by bloody bit he discovers that its threads may reach far beyond the farther islands

mariners of gor is a direct sequel to swordsmen of gor and the action picks up immediately from the end of the earlier book many on gor do not believe the great ship the ship of tersites the lame scorned half blind half mad shipwright originally of port kar exists surely it is a matter of no more than legend in the previous book however swordsmen of gor we learn that the great ship commissioned by unusual warriors for a mysterious mission was secretly built in the northern forests and brought down the alexandra to thassa the sea beginning her voyage to the world s end hazarding waters beyond the farther islands from which no previous ship had returned in mariners of gor one learns the history and nature of the voyage through vast dangerous and uncharted waters a voyage beset with dangers both within and without the ship one encounters storms and calms fearful marine life and volcanic seas hardships treacheries intrigues desertions and mutinies and entrapments in ice and later amongst the thick broad tendrils of the narcotic vine sea and eventually once come to the world s end one learns what has been the intent and meaning of this mysterious enterprise and the human ferocities into which the mariners find themselves introduced

in the continental war matters proceed apace to the advantage of cos cabot and his friend marcus of ar s station who have been spying for ar in the cosian encampments now seek the long inert forces of ar to report acquired intelligence to their commander saphronicus who proves to be of the treasonous party of ar cabot and marcus are placed under arrest as spies primary forces of ar largely inactive in recent months are now to pursue cosian forces withdrawing from ar s station through the vast vosk delta to the sea the cosian forces

however have avoided the delta and the delta campaign is a ruse to decimate the armed might of ar to use as a weapon the marshes and swamps of the delta itself their treacherous trackless wildernesses and wastes the quicksand the insects the serpents and reptiles the local populations to deliver a final decisive blow to what was once the unchallenged splendor and power of gor s finest infantry cabot and marcus separated are sentenced as work prisoners to accompany the forces of ar as they enter the delta with the expectation of soon overtaking and crushing the withdrawing contingents of the ubarate of cos they are thus first hand witnesses of the tragedies and hazards the terrors and miseries of the ill fated delta campaign should they survive the delta both will turn their eyes toward ar the seat of treachery as warriors each will have his business in that place
