threshold concepts in women s and gender studies ways of seeing thinking and knowing is a textbook designed primarily for introduction to women s and gender studies courses with the intent of providing both a skill and concept based foundation in the field the third edition includes fully revised and expanded case studies and updated statistics in addition the content has been updated throughout to reflect significant news stories and cultural developments the text is driven by a single key question what are the ways of thinking seeing and knowing that characterize women s and gender studies and are valued by its practitioners this book illustrates four of the most critical concepts in women s and gender studies the social construction of gender privilege and oppression intersectionality and feminist praxis and grounds these concepts in multiple illustrations threshold concepts in women s and gender studies develops the key concepts and ways of thinking that students need to develop a deep understanding and to approach material like feminist scholars do across disciplines

the book argues that the category of mother is distinct from the category of woman and that many of the problems mothers face social economic political cultural psychological and so forth are specific to women s role and identity as mothers indeed mothers are oppressed under patriarchy as women and as mothers consequently mothers need a feminism of their own one that positions mothers concerns as the starting point for a theory and politic of empowerment o reilly terms this new mode of feminism matricentric feminism and the book explores how it is represented and experienced in theory activism and practice the chapter on maternal theory examines the central theoretical concepts of maternal scholarship while the chapter on activism considers the twenty first century motherhood movement feminist mothering is likewise examined as the specific practice of matricentric feminism and this chapter discusses various theories and strategies on and for maternal empowerment matricentric feminism is also examined in relation to the larger field of academic feminism

here o reilly persuasively shows how matricentric feminism has been marginalized in academic feminism and considers the reasons for such exclusion and how such may be challenged and changed

new third edition the gender knot allan johnson s response to the pain and confusion that men and women experience by living with gender inequality explains what patriarchy is and isn t how it works and what gets in the way of understanding and doing something about it johnson s simple yet powerful approach avoids the paralyzing trap of guilt blame anger and defensive denial that often results from conversations about gender this edition features updated references data resources and examples especially in relation to issues of sexual orientation and gender identity e g gay marriage transgender cisgender a glossary of terms a new chapter what changes and what does not manhood and violence that provides an extended analysis of the causes of men s violence as a patriarchal phenomenon
