ⲁⲓⲃⲟⲩ of gazarta patriarch poet and scribe focuses on the literary legacy of the prominent east syrian poet and churchman who lived in the 16th century the role of ⲁⲓⲃⲟⲩ of gazarta for east syriac ecclesiastical poetry is significant he was the second patriarch of the chaldean church and the founder of its literary tradition this book also explores for the first time the manuscript autographs of ⲁⲓⲃⲟⲩ of gazarta previously unavailable to scholars in addition many of this author s poetic texts are critically published and translated for the first time

eddie rickenbacker hub zemke boots blesse and robin olds are in the pantheon of american fighter aces their names are familiar to many but there has never been a book that examined their brilliant leadership ability as well as their aerial prowess these four men were all robust personalities difficult to discipline and more often than not thorns in the sides of their commanders each of these elite pilots burned to become the leading ace of his time these qualities were not unique however the achievements of these men were extraordinary even for the miniscule percentage of fighter pilots who ever became aces rickenbacker zemke blesse and olds distinguished themselves by becoming force multipliers they used their leadership skills instinctive knowledge of air warfare and superior piloting abilities to make the other pilots in their units better warriors these men put their units interest ahead of every other goal and in the process made their units far more effective instead of using their skills merely to achieve personal glory they trained units that produced multiple aces while achieving ace status themselves renowned aviation historian walter boyne details the careers of these legendary

aces but also explains the reasons why these pilots achieved such great success as aces and leaders boyne s fascinating narrative puts you in the cockpits of fighter planes that varied vastly in technology against enemies of ever increasing capability in world war i world war ii korea and vietnam aces in command takes you in a spad xiii with rickenbacker over the western front it puts you in a p 47 thunderbolt with zemke over germany breaking all the rules but shooting down germans then you fly with blesse in a sabre getting your victories deep inside north korean lines but never losing a wingman finally it tells you of the exploits of the maverick robin olds in two wars learning the trade in a p 38 lightning during world war ii and later using all he learned to whip a f 4 phantom wing into shape in vietnam despite the differences among the planes and jets of each era boyne makes a strong case that rickenbacker zemke blesse and olds could have been aces in any era more importantly he reveals the characteristics and common denominators that made these aces superior combat leaders book jacket title summary field provided by blackwell north america inc all rights reserved
