assembled from dispute resolution journal the flagship publication of the american arbitration association the chapters in the handbook have all where necessary been revised and updated prior to publication the book is succinct comprehensive and a practical introduction to the use of arbitration and adr written by leading practitioners and scholars the handbook contains valuable guidance on international commercial arbitration including the management of arbitration disputes how to select an international arbitral institution an explanation of the effect of international public policy the duties of arbitrators the presentation and evaluation of evidence in international arbitration and how to arbitrate against a state sovereign the enforcement of international arbitral awards is explored including interim relief and problems with enforcement the new york convention parallel proceedings and pivotal decisions such as chromalloy and termorio international mediation is also examined including guidelines for selecting the best mediator for an international dispute the power of mediation to resolve international commercial disputes and the differences in u s and european approaches lastly the section on investment and trade arbitration and mediation explores bilateral investment treaties examines wto arbitration procedures offers advice on saving time and money in cross border commercial disputes and provides guidance for u s investors to follow in dealing with sovereign states the chapters in the handbook were selected from an extensive body of writings and in the main represent world class assessments of arbitration and adr practice all the major facets of the field are addressed and provide the reader with comprehensive and accurate information lucid evaluations and an indication of future developments they not only acquaint but also ground the reader in the field

the establishment of a school of international arbitration was a sufficiently important occurrence to have brought to london for its inaugural

conference most of the world's leading experts on international arbitration the three day symposium on march 25 27 1985 sought to identify and consider the it was not the aim contemporary problems affecting international arbitration of the symposium to develop propose or agree solutions to these problems but rather to discuss the issues and alternative solutions the success of the school will be measured in the future by its contribution through research and teaching to the development of solutions to the difficulties and uncertainties which reduce the effectiveness of international arbitration agreements and awards and the conduct of international arbitral proceedings this book reproduces the papers presented at the symposium amended and varied by several contributors it is not considered appropriate here to comment on or analyse paper by paper the ideas presented or discussions which ensued however it would be appropriate to make reference to specific developments in the short period since the symposium directly relevant to the papers reproduced and the discussions which ensued the pertinence of the subject matter selected becomes clear from these subsequent developments

this book provides immediate access to the world of international commercial arbitration which is the favoured method of international dispute resolution

redfern and hunter on international arbitration is an established treatise on the law and practice of international arbitration the pre eminent method for the peaceful resolution of disputes in international trade investment and commerce this book serves as an introduction following the chronology of an arbitration from the drafting of the arbitration agreement right through to the enforcement of the arbitral award written by an author team with extensive experience as counsel and arbitrators the book has been read and cited by international lawyers arbitrators and judges and has become a key learning text for teachers students and potential arbitrators in colleges and universities across the world the seventh edition has been significantly revised to incorporate the latest significant developments in the field including changes in investor state dispute resolution leading court decisions on arbitration matters in a wider number of jurisdictions changes in the soft law of leading international arbitral institutions and of the international bar association and the impact of the covid 19 pandemic on the practice of international arbitration this shorter paperback edition does not include the appendices
