Captivated by You is the fourth book in the continuing series by novelist Sylvia Day. It takes the story further and encompasses the period between Gideon and Eva eloping and their actual wedding. At this time, very few of their good friends know of their real marital status. The novel may be read as a standalone book, but when read as part of the series, it offers a more in-depth reading experience since there are a number of references to characters and past events from the earlier books. *Captivated by You* is more than just a romance; it may have sexual and steamy love-making scenes, but that is now part of the genre. A complex story that does not end when the guy gets the girl, it actually starts with the guy getting the girl. It goes on to check out their sexual lives and their psychological fears and needs, dominance, the need for power, and the underlying sexual longing. All have an impact on their relationship. Summary of *Leaving Time* includes book review, story analysis, highlights of elements many readers may have missed, key character analysis, discussion of themes, symbols, and key takeaways. Captivated by You (Crossfire Series Book 4) is built using alternating chapters from the two main characters, Gideon's and Eva's first-person perspectives. *Captivated by You* uses a unique and most refreshing literary device for the romance genre, and one which proves emotionally anchoring for the reader and the couple. Also, unlike many other romance flicks, this book attempts to bring in and deal with some weightier real-life issues. The narrative in this book is female-focused, as every attention is given to what we know about female readership preferences. Our male hero, Gideon, is attentive, rich, good-looking, and bonus: cherry on top, yes ladies, he cooks in the kitchen, not just in bed. Eva, and most female readership, will resonate with his continual doting. Gideon is very needy on the love he both gives to and gets from Eva. This is so much so that the book's title, *Captivated by You*, is understated and might be better renamed *Can't Live an Hour Without You*. Yes, it's a tongue-in-cheek title, or at least his tongue-in-her-cheek's title. The two main characters are Gideon, the book's central character, and Eva, the protagonist. Gideon and Eva are two professional 20-somethings and painfully needy, largely their neediness
