complementing recent feminist studies of female self representation this book examines the dynamics of masculine self representation in nineteenth century british literature arguing that the category autobiography was a product of nineteenth century individualism the author analyzes the dependence of the nineteenth century masculine subject on autonomy or self naming as the prerequisite for the composition of a life history the masculine autobiographer achieves this autonomy by using a feminized other as a metaphorical mirror for the self the feminized other in these texts represents the social cost of masculine autobiography authors from wordsworth to arnold including samuel taylor coleridge thomas de quincey john ruskin alfred tennyson robert louis stevenson john stuart mill and edmund gosse use female lovers and family members as symbols for the community with which they feel they have lost contact in the theoretical introduction the author argues that these texts actually privilege the autonomous self over the images of community they

ostensibly value creating in the process a self enclosed and self referential community of one

questions the spectropoetics that marx allowed to invade his discourse

reflecting the currently growing eco movement this book presents to western readers tao yuanming an ancient chinese poet as a representative of classical oriental natural philosophy who offered lived experience of dwelling poetically on earth drawing on derrida s specter theory it interprets tao yuanming in a postmodern and eco critical context while also exploring his naturalist kindred spirits in other countries so as to urge the people of today to contemplate their own existence and pursuits the book s panoramic table of contents offers readers a wonderful reading experience

the first world war marked a key turning point in america s involvement on the global stage isolationism fell and america joined the ranks of the great powers civil military relations faced new challenges as a result ford examines the multitude of changes that stemmed from america s first major overseas coalition war including the new selective service process mass mobilization of public opinion training diverse soldiers civil liberties anti war sentiment and conscientious objectors segregation and warfare americans under british or french command post war issues of significance such as the red scare and retraining during demobilization are also covered both the federal government and the military were expanding rapidly both in terms of size and in terms of power during this time the new group of citizen soldiers diverse in terms of class religion ethnicity regional identity education and ideology would provide training challenges new government military business relationships would experience failures and successes delicate relationships with allies would translate into diplomatic considerations and battlefield command concerns

this critical examination demonstrates how william blake s techniques of symbolic juxtaposition work in both language and illustration of convey his poetic meaning tracing the development of the poet s technique from the earlier to the later works the author places the often obscure lambeth prophecies in their stylistic context and renders them highly accessible

historian peter charles hoffer reexamines a notorious episode in american history and presents many of its legal details in true perspective for the first time hoffer also shows how rights we take for granted today did not exist in colonial times and he demonstrates how these cases relate to current instances of children accusing adults of abuse
