when psychoanalyst dr henry fisher is confronted by a mysterious man who makes an unusual wager his work is suddenly challenged and his life is changed forever the psychoanalyst and alexandra is an entertaining story that confronts existential questions related to the nature of reality and the value of work with a supernatural

twist who is this mysterious stranger and what is the wager as inexplicable events take place henry finds himself suddenly doubting the core of his beliefs and his convictions about human nature grappling with these events forces dr fisher to ultimately face issues concerning his own life and conceptions about reality author jennifer bullington is a professor and researcher at ersta skndal university college born and raised in the usa she has lived in stockholm sweden since 1982 publisher s website strategicpublishinggroup com title thepsychoanalystandalexandra htm

videos contain specially produced video performances of the rover and as you like it to illustrate issues raised in the text

pathos and praxis presents a new and original framework for an integrated phenomenology of life it provides the first comparative study of two influential french philosophers paul ricoeur and michel henry and shows that their debates over the interpretation of sigmund freud and karl marx signal two rival approaches to the phenomenology of life author scott davidson demonstrates that while henry reveals the phenomenological meaning of life through an inward turn to a pure subjective feeling of being alive ricoeur anchors its significance in the reciprocal interaction between the self and the world but these two alternatives are not necessarily opposed pathos and praxis proposes an integrated phenomenology of life to which both henry and ricoeur make an important contribution to be a self is to suffer the pathos of having a life but also to be capable of engaging in the praxis of leading a life by thinking the pathos and praxis of life together the integrated approach preserves human agency against deterministic conceptions of life and at the same time avoids the meritocratic hubris that depicts one s life solely as the result of one s own doing this integration of having and leading a life reframes our thinking about human capabilities and vulnerabilities in a way that has important implications for biopolitics and the ethics of life

making a unique intervention in an incipient but powerful resurgence of academic interest in character based approaches to shakespeare this book brings scholars and theatre practitioners together to rethink why and how character continues to matter contributors seek in particular to expand our notions of what shakespearean character is and to extend the range of critical vocabularies in which character criticism can work the return to character thus involves incorporating as well as

contesting postmodern ideas that have radically revised our conceptions of subjectivity and selfhood at the same time by engaging theatre practitioners this book promotes the kind of comprehensive dialogue that is necessary for the common endeavor of sustaining the vitality of shakespeare s characters

no joke is a detailed examination of todd phillips s joker one of the biggest global box office hits of 2019 while his success was no doubt partly because of the association of its title character with the batman superhero franchise joker is anything but a flashy superhero romp it does explore the pathologies of its central character and suggest ways in which his life experiences might have driven him to become a supervillain the arch enemy of batman at the same time the film leaves open the possibility that its joker is not in fact the same as the one conventionally associated with batman in fact the film leaves open many interpretive possibilities in keeping with the complex work of postmodern art that it turns out to be joker also engages in extensive dialogues with a range of works from modern american culture especially the films of the 1970s and 1980s the period in which the action of joker is set moreover joker is a highly political film that comments in important ways on american political history from roughly the beginning of the presidency of richard nixon through the end of the trump presidency with a special focus on the reagan years it also comments in more general and fundamental ways on the very nature of american society and american capitalism all this and more is covered in m keith booker s analysis of one of the most talked about films of recent years

this book is a timely introduction in english to one of the most wide ranging and imaginative philosophical projects of the last fifty years it offers close readings of the main themes of michel henry s philosophy a philosophy that has produced some of the most devastating critiques of phenomenology freudianism and marxism in this period the author s contrasting of henry s material phenomenology with derridean deconstruction extends the range of recent critical theory in terms of embodiment and affectivity in an age of rejuvenated evangelism and fundamentalism the author s reading of henry s later work on religion as an extension of his material phenomenology also presents a challenging examination of the foundations of christian faith and belief presented in a clear and straightforward manner with careful explication of the more difficult passages from henry this book also makes accessible to english readers for the first time since their original publication many of the texts central to henry s phenomenology it should be a welcome resource for researchers in the fields of french phenomenology and the phenomenology of religion
