this text is designed to introduce students to the variety of languages of the world

the world is witnessing a dramatic demographic population growth explosion across all age groups that had its beginning around the early 1800s when the first billion people in population was recorded most importantly has been an increasing growth in the older population does population aging matter in the twenty first century yes it matters because as research has pointed out the increasing older population globally will have a significant impact on all essential societal systems the family pensions and retirement and financial institutions as well as medical health and social systems this growth explosion or phenomenon will affect all continents countries and regions regardless of economic political and military power causative factors for this global growth in population have come about primarily as a result of medical advances innovations agricultural development and the industrial revolution especially the development of railways seaways and highways a major emphasis of the book focuses on several very important factors the growing older population as aforementioned especially its impact on all of essential societal systems and the subject of ageism ageism becomes extremely important considering that the growing older population the silver tsunami represents the new majority this new majority will no longer be ignored gerontologists for years have attempted to call attention to the fact expectations for old people are based on negative age stereotypes members of american society generally expect and even encourage the aged to be asexual intellectually rigid unproductive ineffective and disengaged seniors are supposed to stay out of the way sit in their rocking chairs and enjoy the golden years they are expected to be inactive invisible but happy levin j and levin w ageism prejudice and discrimination against the elderly california wadsworth publishing 1941 pp 97 98 speaking of being ignored why aren't more members of the older population involved at the decision making tables in shaping a society for all ages after all they would bring years of experiences skills knowledge and values for creating a society for all ages in the twenty first century with justice and human rights for all currently there is a global movement with a goal of the eradication of ageism in all of its forms some will recall from several decades ago the grey panther movement in america with a similar mission of the eradication of all injustices at the time being experienced by the older population the current movement says the time is now not later one major social injustice being experienced by the growing old population globally is the lack of income security in old age including the lack of access to other essential services such as medical health and social including long term care more than 50 percent 51 percent of older persons globally do not have basic income security or a social pension in retirement a more alarming statistic is that in sub saharan africa forty seven countries eight two percent 82.5 of retirees do not have a social pension yes for the older population the new majority the time is now for correcting the aforementioned injustices maybe what is needed is a human seismic force comprising the new majority to initiate a social movement with a goal of the eradication of all forms of ageism and ensuring that the growing older population will live in dignity and respect in later life including social protection pensions

the report on carcinogens roc is a congressionally mandated science based public health document that identifies and discusses agents substances

mixtures or exposure circumstances hereinafter referred to as substances that may pose a hazard to human health by virtue of their carcinogenicity for each listed substance the report contains a substance profile which provides information on 1 the listing status 2 cancer studies in humans and animals 3 studies of genotoxicity ability to damage genes and biologic mechanisms 4 the potential for human exposure to these substances and 5 federal regulations to limit exposures eight substances have been added to this 12th ed of the report which now includes 240 listings the industrial chemical formaldehyde and a botanical known as aristolochic acids are listed as known human carcinogens six other substances captafol cobalt tungsten carbide in powder or hard metal form certain inhalable glass wool fibers o nitrotoluene riddelliine and styrene are added as substances that are reasonably anticipated to be human carcinogens figures this is a print on demand report

this excellent new edition will continue to demystify the referencing process and provide essential guidance on making sure you are not committing plagiarism it provides clear guidelines on why and when to reference as well as how to correctly cite from a huge range of sources

reflecting the dramatic changes shaped by rapidly developing technologies over the past six years this new fourth edition of reference and information services takes the introduction to reference sources and services significantly beyond the content of the first three editions in part i concepts and processes chapters have been revised and updated to reflect new ideas and methods in the provision of reference service in an era when many users have access to the in part ii information sources and their use discussion of each source type has been updated to encompass key resources in print and on the where an increasing number of freely available sources join those purchased or licensed by libraries a number of new authors are contributors to this new edition bringing to their chapters their experience as teachers of reference and as practitioners in different types of libraries discussions of services in part i integrate digital reference as appropriate to each topic such as how to conduct a reference interview online using instant messaging boxes interspersed in the text are used to present scenarios for discussion to highlight key concepts or to present excerpts from important documents discussions of sources in part ii place more emphasis on designing effective search strategies using both print and digital resources the chapter on selection and evaluation of sources addresses the changing nature of reference collections and how to evaluate new types of sources each chapter concludes with an updated list of additional readings to guide further study a new companion website will provide links to accessible readings and resources as well as additional scenarios for discussion and example search strategies to supplement those presented in the text

library committee timothy dwight richard henry stoddard arthur richmond marsh a b and others illustrated with nearly two hundred photogravures etchings colored plates and full page portraits of great authors clarence cook art editor

in this powerful multidisciplinary book tove skutnabb kangas shows how most indigenous and minority education contributes to linguistic genocide according to united nations definitions theory is combined with a wealth of factual encyclopedic information and with many examples

and vignettes the examples come from all parts of the world and try to avoid eurocentrism oriented toward theory and practice facts and evaluations and reflection and action the book prompts readers to find information about the world and their local contexts to reflect and to act a site with additional resource materials to this book can be found at ruc.dk/tovesk
