this book examines how the armed forces of the united states and australia have responded to the threat posed by climate change to national security drawing on established securitisation frameworks copenhagen and paris schools the author uses a combination of quantitative and qualitative techniques to systematically examine more than 3 500 speeches policies and doctrinal articles since 2003 importantly the author undertakes an examination of the intersection between the political and the military spheres probing the question of how ideology has influenced the military s uptake on the issue in this context the author identifies the difficulty of an ostensibly apolitical institution responding to what has become both a hyper political issue and an unprecedented security threat a close examination of the key political actors their intent outlook and political mandate for broader climate action is therefore crucial to understanding the policy freedom and constraints within which military leaders operate the book consists of eight chapters divided into four parts focusing on perspectives and

methodological insights empirical case studies case study comparison and concluding observations offers a rare and systematic examination of military climate policy by a military officer from australia identifies a divergence of australian military climate policy from that of the us military during the obama administration develops a unique method that quantifies climate security enabling a graphical representation for quick and ready reference ideally suited to policy makers

james is a terrific reporter and this account of the effort to shape our military to reflect left wing social values rather than the priorities of readiness and capability is vital ben shapiro bestselling author of the right side of history and host of the ben shapiro show stand down is a must read for anyone who wants to understand how progressives have forced radical changes on our military no matter how much harm it does to combat readiness mollie hemingway bestselling coauthor of justice on trial stand down exposes one of the greatest but least discussed scandals of our era time and time again the obama administration undermined the military to advance left wing political goals and hasson brings the goods to prove it every patriotic american who cares about the military needs to read this book buck sexton former cia counterterrorism officer host of the buck sexton show james hasson makes a powerful and convincing case in this exceptionally well written book stand down is a scathing indictment of the obama administration s misuse of the military as a vehicle for progressive social change at the expense of men and women in uniform sean parnell army combat veteran and new york times bestselling author of outlaw platoon safe space stickers on office doors at the naval academy officers apologizing for microaggressions against air force cadets an army gender integration study urging an end to hyper masculinity in combat arms units power point presentations teaching commanders about male pregnancy a cover up as senior officials placed their thumbs on the scales to ensure the success of the first female candidates at the army s legendary ranger school these are just a few of the examples documented in this explosive book stand down how social justice warriors are sabotaging the u s military by former army captain afghanistan veteran and attorney james hasson hasson exposes the relentless campaign by powerful obama administration ideologues to remake the culture and policies of the u s military even over the explicit objections of military leaders he presents evidence drawn from government documents and exclusive interviews with more than forty sources including high ranking officers and pentagon insiders that progressive activists in the obama administration used the u s military as their preferred vehicle to advance the progressive agenda the stories paint a troubling picture of what happens

when leftwing political operatives impose a political agenda on our nation s military they render our forces less effective place our military men and women in greater danger and compromise the military s sole objective to protect america by winning the nation s wars military readiness is a term politicians and pundits often use in the abstract to describe our military s ability to defeat its adversaries but it ultimately describes how well we have prepared and equipped a young soldier or sailor to prevail over an enemy determined to do them harm hasson makes a compelling case that our nation has a moral obligation to ensure that the sons and daughters it sends to war have the best possible chance of victory which means we must embrace only the policies that help us win wars and reject those that don t political agendas of any kind invite corruption jeopardize lives and undermine the mission they have no place in military policy a principle that the obama administration either disdained or failed to understand

directory of members constitution and by laws of the society of american military engineers 1935 inserted in v 27

the compelling real life story of the criminal investigation indictment and trial of edgar ray killen the preacher and former ku klux klansman finally convicted in june 2005 for the deaths of three civil rights workers forty one years after their brutal murders a stunning final chapter to the case immortalized in the movie mississippi burning
