maritime piracy off the coast of somalia was first recognised as a global concern in 2008 after the hijackings of world food programme vessels it remains a serious impediment to international maritime trade and a significant risk to seafarers bringing a criminological perspective to the subject this book presents an analysis of somali piracy by means of routine activity theory and regulatory pluralism based on data from a range of sources including published documents and in depth interviews with representatives of industry government and international organisations the study concludes that no one institution or policy will suffice to control somali piracy accordingly a number of different actors and institutions have a role to play in reducing the supply of motivated

offenders the vulnerability of prospective victims and in enhancing guardianship the book envisages a holistic counter piracy program based on a pluralistic regulatory model that is sustainable within the region and managed by the region providing the best opportunity for both the immediate future and for long term success this study will be essential reading for criminologists public policy and legal scholars as well as policy makers and regulators in countries affected by and dealing with piracy and international professional advocacy groups operating in the maritime space

to date over 18 000 peer to peer users have been sued by the recording industry association of america while word of these suits is spreading few supervising adults have the technical knowledge to determine whether and to what extent pirating may be occurring via a computer and internet connection for which they are legally responsible

this encyclopedia provides an authoritative guide intended for students of all levels of studies offering multidisciplinary insight and analysis of over 500 headwords covering the main concepts of security and non traditional security and their relation to other scholarly fields and aspects of real world issues in the contemporary geopolitical world

digital piracy it s a global war and it s just begun pirates of the digital millennium chronicles that war all of it media conglomerates vs teenagers tech companies vs content providers artists battling artists nations vs nations law enforcement vs organized crime john gantz and jack rochester cover every side and all the implications economics law ethics culture the players and above all the realities including the exclusive new findings of a 57 country digital piracy research project the media universe is shaking to its very foundations this book helps you make sense of what s happening and what s next

piracy today covers in great detail the maersk alabama episode with the dramatic rescue of captain phillips by the u s navy seals who were on the uss bainbridge and managed to kill the three pirates on the lifeboat the hijacking of the ukrainian ro ro vehicle carrier faina the still unexplained saga of arctic sea and many more incidents are studied in several chapters there is an overview of the most recent and most numerous attacks for 2009 inside back jacket

now in its 17th year the nilos documentary yearbook provides the reader with an excellent collection of documents related to ocean affairs and the law of the sea issued each year by organizations organs and bodies of the united nations system documents of the un general assembly and security council meeting of states parties to the un law of the sea convention clcs isba itlos follow ups to the un fish stocks and small island states conferences wssd ecosoc unep and unctad are reproduced first followed by the documents of fao iaea imo and nesco ioc as in the previous volumes documents which were issued in the course of 2001 are reproduced while other relevant documents are listed the nilos documentary yearbook has proved to be of invaluable assistance in facilitating access of the international community of scholars and practitioners in ocean affairs and the law of the sea to essential documentation the entry of the 1982 un law of the sea convention into force in 1994 and of the part xi agreement in 1996 as well as of the un fish stocks agreement in 2001 coupled with the review of the unced agenda 21 the 2002 johannesburg world summit make continuation of this assistance of particular significance in the years to come the members of the yearbook s advisory board are judges abdul koroma and shigeru oda of the icj undoalos director mrs annick de marffy itlos president dolliver nelson and judges thomas mensah and tullio treves as well as rosalie balkin edward brown bernard oxman and shabtai rosenne

hinduja examines the social psychological criminological and behavioral aspects of internet crime guided by the most prominent general theories of criminal behavior he explores music piracy an all too common form of cybercrime by attempting to answer a number of questions does stress and strain play a role what about low self control is music piracy learned within intimate social groups do rationalizations and justifications contribute to participation is the behavior strengthened or weakened through rewards and punishments hinduja then proposes a model which integrates both social and technical factors to inform and guide strategies to combat music piracy and potentially other variants of high tech crime
