its not easy to speak about death in our culture as children of revolution we think of our country as young energetic and future oriented our ideals of progress and vigor seem contradicted by the concept of death but the silence about death in america is a lost opportunity for people to find insight and support in walking that lonesome valley in befriending death over 100 writers respond in one page each to one question in the face of death how do you find meaning and fulfillment in life penned from people from a variety of backgrounds the essays take death seriously and openly and discuss how the authors find meaning in life this chance for a rare sharing of views on a truly profound subject has attracted commentators who are deeply religious and those who are not religious noted authors and people who have never published a word people celebrated by the world and people ignored by the world as they are all equal in their mortality they are equal in striving for an authentic existence and an honest description of what for them constitutes fulfillment while each essay in befriending death is unique together they present

a tapestry of courage struggle and insight at a time when we are often overwhelmed by the eagerness of people to provide their opinions on politics and sports here is a rare opportunity to hear people share their most profound views on life and death

this is a new release of the original 1922 edition

this is a collection of essays by noted philosopher john martin fischer that seeks to show important connections between the metaphysics of death and free will john martin fischer defends the commonsense views that death can be bad and immortal life can be good and argues that in acting freely we transform our lives so that our stories matter

everyone s mother is dead or dying it is nothing new nothing ceasing nothing fresh or interesting but when your mother is dying and when this dying insists at once that you take notice of it you feel her bones in your own and that insistence stretches into the vision you have of your own life this short collection of essays explores life and death what they take what they give and what they leave behind
