reveals the underlying story form of all great presentations that will not only create impact but will move people to action
presentations are meant to inform inspire and persuade audiences so why then do so many audiences leave feeling like they ve
wasted their time all too often presentations don t resonate with the audience and move them to transformative action just as the
author s first book helped presenters become visual communicators resonate helps you make a strong connection with your audience
and lead them to purposeful action the author s approach is simple building a presentation today is a bit like writing a documentary
using this approach you ll convey your content with passion persuasion and impact author has a proven track record including
having created the slides in al gore s oscar winning an inconvenient truth focuses on content development methodologies that are not
only fundamental but will move people to action upends the usual paradigm by making the audience the hero and the presenter the
mentor shows how to use story techniques of conflict and resolution presentations don t have to be boring ordeals you can make
them fun exciting and full of meaning leave your audiences energized and ready to take action with resonate

the bestselling classic that launched 10 000 startups and new corporate ventures the four steps to the epiphany is one of the most
influential and practical business books of all time the four steps to the epiphany launched the lean startup approach to new ventures
it was the first book to offer that startups are not smaller versions of large companies and that new ventures are different than
existing ones startups search for business models while existing companies execute them the book offers the practical and proven

four step customer development process for search and offers insight into what makes some startups successful and leaves others selling off their furniture rather than blindly execute a plan the four steps helps uncover flaws in product and business plans and correct them before they become costly rapid iteration customer feedback testing your assumptions are all explained in this book packed with concrete examples of what to do how to do it and when to do it the book will leave you with new skills to organize sales marketing and your business for success if your organization is starting a new venture and you re thinking how to successfully organize sales marketing and business development you need the four steps to the epiphany essential reading for anyone starting something new the four steps to the epiphany was originally published by k s ranch publishing inc and is now available from wiley the cover design and content are the same as the prior release and should not be considered a new or updated product
