creative and critical projects in classroom music is both a celebration and extension of john paynter and peter aston s groundbreaking work
on creative classroom music sound and silence first published in 1970 building on the central themes of the original work the child as artist
the role of musical imagination and creativity and the process of making music the authors and contributors provide a contemporary
response to the spirit and style of sound and silence they offer reflections on the ideas and convictions underpinning paynter and aston s
work in light of scholarship developed during the intervening years this critical work is accompanied by 16 creative classroom projects
designed and enacted by contemporary practitioners raising questions about the nature and function of music in education and society in
summary this book aims to celebrate seminal work on musical creativity in the classroom promote the integration of practical critical and
analytical writing and thinking around this key theme for music education contribute to initiating the next 50 years of thought in relation to
music creativity in the classroom offering a unique combination of critical scholarship and practical application and published on the
occasion of the 50th anniversary of sound and silence themes from paynter and aston s work are here given fresh context that aims to inspire
a new generation of innovative classroom practice and to challenge current ways of thinking about the music classroom

this adaptation of the music for little mozarts piano curriculum is designed to provide classroom music instruction for 4 5 and 6 year olds in
the preschool or kindergarten setting it is a comprehensive approach to musical learning that develops singing movement and listening skills
simultaneously with an introduction to musical styles and concepts ten detailed lesson plans are included along with reproducible activity
pages for the children the curriculum materials combine to create an exciting and imaginative atmosphere in the classroom no keyboard
instruction is included but the classroom edition can serve as a recruitment class for the piano course perfect for teachers with limited
preparation time and all levels of musical experience the comb binding creates a lay flat book that is perfect for study and performance the
cd includes all of the songs stories and activities for music teachers who want to offer this program piano accompaniments are included as

an optional enhancement to the lesson assessment materials and correlations to the national standards for music education are also included
