no one would disagree with the assessment that christians over the centuries have been guilty of antisemitism sometimes with barbarous results the real question is not whether individual christians have been antisemites but whether antisemitism is somehow ingrained in the very roots of christianity in its very essence rosemary ruether has declared that antisemitism is the other side of christology the inevitable fallout of placing jesus at the right hand of the father the contributors to this volume consider that larger question from several vantage points their findings are vitally important for christians and jews alike not only do they explore the beginnings of christian antisemitism they help us understand the dynamics of the religious impulse for all peoples and all times publisher

this book presents and survey of the foundations of mathematics the emphasis is on a mathematical comparison of systems rather than on any exhaustive development of analysis within a single system nevertheless for most systems considered enough details are given for the development of arithmetic and the method of constructing the other notions of analysis is indicated the elements of the general theory of cardinal and ordinal numbers are also furnished in the course of this work
