journey into the ancient christian tradition of all souls day also known as the day of the dead explore the significance of this sacred day when families remember and pray for their departed loved ones discover the history and customs associated with this solemn occasion including visiting cemeteries lighting candles and offering prayers for the souls of the faithful departed delve into the theological teachings behind all souls day and the belief in purgatory as a path to purification for the deceased learn about the various customs and rituals observed across different cultures and denominations highlighting the universal themes of remembrance and spiritual connection to the afterlife reflect on your own beliefs and practices surrounding death and the commemoration of the departed in light of this special day gain insight into the role of all souls day in the broader context of christian theology and the importance of honoring the deceased as part of the faith community hear poignant stories and testimonies from individuals who have found comfort and solace in the observance of this annual ritual explore the intersection of grief memory and faith as believers unite in prayer and reflection on the lives of those who have passed on this book presents a thoughtful and reverent exploration of all souls day with a blend of historical background theological reflections and personal narratives whether you are new to this tradition or a seasoned observer you will find inspiration and insight in the timeless practice of honoring the dead and embracing the hope of resurrection and eternal life

this book summarizes seventy of my honoring the dead books that i was directed to write by the dead the dead would direct me in my dreams usually within a week after they die to write a book for their loved ones they would tell me what to write what photographs to use and to whom to send the book this is the reason why i had decided to publish this book the dead dont forget you after they die dont forget them people dont change after they die ive had many good experiences and a few very bad experiences with them if i was able to communicate with the dead you can to its a very interesting story how i had acquired this capability which i discussed in this book i was not born with that capability i also discuss two of my prior lifetimes which have also helped me communicate with the dead these are all things that i suggest that you know about it all helps like it has helped me its all true and

it can be verified in the seventy books that i have written this book summarizes what is in those seventy books this book gives a number of examples that nothing happens by accident you can be whatever you want to be i did it and you can do it too in this lifetime i meet my mother in my 1620 ad lifetime who had given me my current capabilities

say good bye one more time have you ever experienced a breeze in a closed room a brush on the cheek when no one is there a whisper that sounds like the voice of someone who has passed away perhaps it is coincidence or perhaps it is the beginning of spirit communication in seven steps to heaven noted psychic joyce keller clears up misconceptions about the afterlife and reveals the various ways in which those who have crossed over make contact with us with clarity and compassion she shares for the first time her successful connection technique that makes it possible for anyone to bridge the divide between the living and the dead developed over a period of twenty years keller s connection technique involves seven simple and safe tools angels and spirit teachers prayer and affirmations meditation dreams a spirit space sound a labyrinth seven steps to heaven offers comfort and hope to everyone who has experienced the profound loneliness and sadness that comes with the death of a family member a dear friend or a pet

this book is based on first hand experiences detailing the specific signs our departed loved ones send a sign that has a significant meaning for us these humorous and heartwarming stories will give you chills as they touch your heart teaching you to trust your own intuitive ability it was not just your imagination or an odd coincidence our loved ones are near shortly after passing to help us with our grief and to let us know their consciousness and love for us is eternal they also come to celebrate joyful occasions family weddings graduations reunions funerals and the birth of new children this book teaches you to appreciate these signs of love and ask to receive more you can t fake a goose bump

sustain those who mourn through the ordinary and not so ordinary days of the year

do you long to connect in spirit with loved ones who have departed this earth do you wish you could go beyond the veil to contact the dear family and friends you've loved lost and miss every day in truth there is no great mystery to connecting with loved ones who have crossed over and it's something that you can learn to do easily and safely many people are confused about what it means to communicate with those who've passed on mainly because of old superstitions and fear however there is nothing to be afraid of when it comes to connecting with your beloved departed parents siblings aunts uncles cousins grandparents great grandparents and other ancestors along with spouses partners and friends who've gone before you in fact your ability to make contact stems only from your desire to connect your willingness to try and your belief that love is not limited to space or time your loved ones who supported you when they were on earth continue to love and support you just as much even though they are now in spirit form even those ancestors you've never met bring great healing and support from the realms of spirit it can actually be enormously comforting to connect with loved ones in spirit regularly for one thing they may have a lot to tell you and if you are grieving or if there is healing that needs to happen it can be astonishing to do this work and see how things shift not just in the present moment but across all time in this book you will be connecting only with those that author sara wiseman refers to as the beloved departed your departed loved ones who have always fully loved and supported you to be clear you will not be connecting with the random departed souls who have no particular relationship with or significance to you that is a completely different aspect of mediumship and not what you'll be doing the purpose of this book is for you to learn to connect easily with your loved ones who have crossed over in order to experience love comfort and healing as you work through this book you'll learn how to connect with your loved ones experience deep comfort heal your own heart receive support understand karmic lessons heal karmic wounds understand love has no limits understand your own infinite nature connect in spirit with those you love communicate with them receive support from them facilitate healing with any departed you have unresolved issues with receive guidance from your ancestral lineage if you have lost someone you loved this book will show you how to continue this connection and love beyond time if you have lost someone who guided you this book will show you how to continue to receive their support if you have lost someone with whom you had deep karma this course will teach

you how to complete the soul lessons you learned together and if you have lost someone with whom you have unresolved issues this book will teach you how to create healing at a soul level if you have not experienced loss personally but are interested in connecting with your ancestors this book will also show you how it can actually be very interesting to hear what your ancestors have to say finally if you are very recently grieving this book will help you find the comfort and healing that comes when we connect in divine love to those we love

if you believe that communicating with those on the other side is impossible or that only professionally trained psychics can cross that boundary the evidence in this provocative book will surprise you dr raymond moody bestselling author of life after life and the first medical professional to explore near death experiences shows that it is possible and not even difficult for all of us to make contact with our loved ones virtually whenever we choose without the help of a medium by experimenting with such items as mirrors crystals and specially designed chambers dr moody created an environment in which many unbiased intelligent men and women achieved amazing success in calling forth visions here are their own descriptions recorded immediately after of what they saw heard and felt during moments of precious closeness that left them confident they had been in the actual presence of their dead loved ones grounded in solid historical and anthropological data these case studies and dr moody s own observations will give pause even to sceptics as proof of life after death his stunning findings promise to launch even more research and give comfort to many people around the world

this swedish novel follows the efforts of jan arnberg to escape the curse that has bound the fate of his family for generations
