a new consideration of the black panther s leadership political thought and intellectual development

a fascinating first person account of a historic era in the struggle for black empowerment in america long an iconic figure for radicals huey newton is now being discovered by those interested in the history of america s social movements was he a gifted

leader of his people or a dangerous outlaw were the black panthers heroes or terrorists whether newton and the panthers are remembered in a positive or a negative light no one questions newton s status as one of america s most important revolutionaries to die for the people is a recently issued classic collection of his writings and speeches tracing the development of newton s personal and political thinking as well as the radical changes that took place in the formative years of the black panther party with a rare and persuasive honesty to die for the people records the party s internal struggles rivalries and contradictions and the result is a fascinating look back at a young revolutionary group determined to find ways to deal with the injustice it saw in american society and as a new foreword by elaine brown makes eminently clear newton s prescience and foresight make these documents strikingly pertinent today huey newton was the founder leader and chief theoretician of the black panther party and one of america s most dynamic and important revolutionary philosophers huey p newton s to die for the people represents one of the most important analyses of the politics of race black radicalism and democracy written during the civil rights black power era it remains a crucial and indispensable text in our contemporary efforts to understand the continuous legacy of social movements of the 1960s and 1970s peniel joseph author of waiting til the midnight hour a narrative history of black power in america huey p newton s name and more importantly his history of resistance and struggle is little more than a mystery for many younger people the name of a third rate rapper is more familiar to the average black youth and that s hardly surprising for the public school system is invested in ignorance and huey p newton was a rebel and more a black revolutionary who gave his best to the black freedom movement who inspired millions of others to stand mumia abu jamal political prisoner and author of jailhouse lawyers newton s ability to see theoretically beyond most individuals of his time is part of his genius the opportunity to recognize that genius and see its applicability to our own times is what is most significant about this new edition robert stanley oden former panther professor of government california state university sacramento

huey p newton s family roots of a revolutionary suicide was undertaken by the author at the request of prof emeritus melvin newton older brother of huey newton melvin s daughter tracy newton and son david lautaro newton the project involved extensive family interviews and research to cover the background of melvin and huey p newton s parents walter and armelia newton the tribal nature of family interactions the lives of their siblings and other close relatives their seven children and the collective family impact on walter and armelia s youngest son iconic black militant huey p newton who co founded the black panther party newton wrote in his autobiography revolutionary suicide and testified to a captivated audience in his 1968 death penalty trial that an

understanding of the treatment of african americans since colonial days was necessary to understand who he was and where he came from that testimony had a profound impact on the jury that had newton s life in their hands particularly affecting middleclass black banker david harper who became the jury s revolutionary choice for foreman this book puts huey p newton s experiences and those of his family into historical context it starts with walter newton s heritage and his wife armelia johnson newton s family background from their primarily african roots to their caucasian ancestors to the slavery of their african american ancestors to their upbringing in the segregated south their hard scrabble adult lives in arkansas and louisiana in the early 20th century their move west to oakland as part of the great migration the racism they faced in california huey and melvin newton s disparate school experiences huey s teenage years his involvement in the afro american association s informal studies of black authors melvin s role in creating a pioneering ethnic studies program at oakland s merriitt college the formation of the black panther party the shootout with two oakland police officers for which the panther leader was arrested and that became the focus of international attention to the treatment of black men by the american justice system huey newton s historic 1968 death penalty trial his mafia phase his subsequent cuban exile his frayed and reestablished family

huey p newton was called many things in his time revolutionary genius criminal even the most surveilled human being in world history yet little is known about him still because of persistent distortions to his name and legacy as co founder of the black panther party in this new and much needed intellectual biography political theorist delio vásquez establishes newton as a true and original philosopher newton s compassion for the suffering of the people of the streets led him to develop innovative theories for how the most oppressed could spearhead revolutionary change against rising technocracy through communal defense of loving communities the panthers forged alliances with black student unions and street gangs hollywood elites and poor whites the gay liberation movement and third world nations newton left behind dozens of unpublished manuscripts analyzing anthropology politics feminist thought education philosophy evolutionary biology and theology ideas presented here for the first time vásquez also puts into proper perspective newton s late descent into addiction and madness a direct effect of u s government techniques of war that targeted his mind body and soul in ways that are still all too relevant today newton s maxim i am we resounds more than ever

the first comprehensive collection of writings by the black panther party founder and revolutionary icon of the black liberation era

the huey p newton reader combines now classic texts ranging in topic from the formation of the black panthers african americans and armed self defense eldridge cleaver s controversial expulsion from the party fbi infiltration of civil rights groups the vietnam war and the burgeoning feminist movement with never before published writings from the black panther party archives and newton s private collection including articles on president nixon prison martyr george jackson pan africanism affirmative action and the author s only written account of his political exile in cuba in the mid 1970s eldridge cleaver bobby seale angela davis mumia abu jamal and geronimo pratt all came to international prominence through newton s groundbreaking political activism additionally newton served as the party s chief intellectual engine conversing with world leaders such as yasser arafat chinese premier chou enlai and mozambique president samora moises machel among others

huey p newton remains one of the most misunderstood political figures of the twentieth century as cofounder and leader of the black panther party for more than twenty years newton 1942 1989 was at the forefront of the radical political activism of the 1960s and 70s raised in poverty in oakland california and named for corrupt louisiana governor huey p long newton embodied both the passions and the contradictions of the civil rights movement he sought to advance in this first authorized biography newton s former chief of staff david hilliard teams up with best selling authors keith and kent zimmerman to tell the whole story of the man behind the organization that fbi director j edgar hoover infamously dubbed the greatest threat to the internal security of the country

the searing visionary memoir of founding black panther huey p newton in a dazzling graphic package tracing the birth of a revolutionary huey p newton s famous and oft quoted autobiography is as much a manifesto as a portrait of the inner circle of america s black panther party from newton s impoverished childhood on the streets of oakland to his adolescence and struggles with the system from his role in the black panthers to his solitary confinement in the alameda county jail revolutionary suicide is unrepentant and thought provoking in its portrayal of inspired radicalism for more than seventy years penguin has been the leading publisher of classic literature in the english speaking world with more than 1 700 titles penguin classics represents a global bookshelf of the best works throughout history and across genres and disciplines readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

this new collection of essays contributed by scholars and former panthers is a ground breaking work that offers thought provoking and pertinent observations about the many facets of the party by placing the perspectives of participants and scholars side by side dr jones presents an insider view and initiates a vital dialogue that is absent from most historical studies

the weekly source of african american political and entertainment news

interdisciplinary essays reevaluate the black panthers and their legacy in relation to revolutionary violence radical ideology urban politics popular culture and the media

the first comprehensive collection of writings by the black panther party founder and revolutionary icon of the black liberation era now in a new edition with a new introduction by former black panther party chairman elaine brown the huey p newton reader combines now classic texts from newton s books revolutionary suicide to die for the people in search of common ground and war against the panthers ranging in topic from the formation of the black panthers african americans and armed self defense eldridge cleaver s controversial expulsion from the party fbi infiltration of civil rights groups the vietnam war and the burgeoning feminist movement editors hilliard and wise also include never before published writings from the black panther party archives and newton s private collection including articles on president nixon prison martyr george jackson pan africanism affirmative action and the author s only written account of his political exile in cuba in the mid 1970s eldridge cleaver bobby seale angela davis mumia abu jamal and geronimo pratt all came to international prominence through newton s groundbreaking political activism additionally newton served as the party s chief intellectual engine conversing with world leaders such as yasser arafat chinese premier chou enlai and mozambique president samora moises machel among others beginning with his founding of the black panther party in 1966 huey p newton 1941 89 set the political stage for events that would quickly place him and the panthers at the forefront of the african american liberation movement for the next twenty years

huey p newton was born on february 17 1942 in monroe louisiana he was a political activist and co founded the black panther party in 1966 the organization was originally formed to patrol african american neighborhoods to protect residents from acts of police brutality he died on august 22 1989 at the age of 47
