ebook sociology a brief introduction

effective communication with the african society in the field of missions church planting and social development work has been and continues to be a great challenge particularly to people from western cultural and language orientation africans are a we rather than i and a depended

on rather than independent of society the worldview of a traditional african in terms of society relationships and communication is communal certainly the african perception of communalism affects how they communicate with the people of different cultural orientation africa has several cultures and people differ in their communication depending on their cultural orientation however there are universal african cultures that act as a framework for understanding key aspects of communication with africans for successful missions church planting and social development work this book therefore provides a strategy of understanding communication with the african society the discussions in this book provide readers with different cultural orientations unique perception of the african society as s he may be planning to communicate with the african society for missions church planting and social development work even doing humanitarian ministry in african society although literacy levels have improved tremendously in most african countries most of africa is not a reading society it is imperative to understand that most africans still communicate orally and are not time conscious hence effective communication in african societies ought to be based on storytelling rather than literature distribution although this is in transition in fact africans are oratory and good listeners thus this book provides an understanding to people of different cultural orientations when they plan to communicate with the people in africa

invitation to the sociology of international law aims to cast light on the under explored sociological dimension of international law the book emphasizes that international legal rules are profoundly embedded in diverse social factors and processes such as norms identity and collective memory thus international law often reflects and affects societal factors and processes in state societies and in the international community the book exposes some central tenets of the sociological perspective and its core theoretical approaches and presents a sociological analysis of several significant topics in present day international law the volume surveys subjects such as compliance international economic law legal fragmentation law making and the impartiality of adjudicators and reveals that a sociological analysis of international law enriches our understanding of social factors involved in the formation evolution and implementation of the law such analysis may not only explain past and present trends in international law but also bears significant implications for the interpretation of existing legal provisions as well as suggesting better legal mechanisms for coping with contemporary challenges in light of the underlying interrelationships between international law and other social factors this book invites international law specialists to analyse international legal rules in their wider social context and to incorporate sociological tools into mainstream international law scholarship

adopting a multidisciplinary approach this book examines the intersection of race and ethnic relations and the life course the essays in the volume thus reflect varieties of qualitative and quantitative methods in order to look at how these variables shape social organization and the experiences of those who live within the boundaries of society the essays include works that use semi structured interviews ethnographies and auto ethnographies to inform the analysis of race ethnicity and the life course

this best selling comprehensive text shares the excitement of sociology with the acclaimed down to earth approach that highlights the sociology of everyday life the 8th edition of this highly regarded text retains all the features that have made previous editions so successful the author has a unique ability to engage students without sacrificing content or talking down to them with wit personal reflection and illuminating examples henslin shares his passion for sociology with his readers like no other author of an introductory text can

study based on data collected in india

established in 1895 as the first u s scholarly journal in its field ajs remains a leading voice for analysis and research in the social sciences presenting work on the theory methods practice and history of sociology ajs also seeks the application of perspectives from other social sciences and publishes papers by psychologists anthropologists statisticians economists educators historians and political scientists

this expanded fourteenth edition of taking sides social issues provides two additional current controversial issues all of the issues are presented in a debate style format designed to stimulate student interest and develop critical thinking skills each issue is thoughtfully framed with an issue summary an issue introduction and a postscript an instructor s manual with testing material is available for each volume using taking sides in the classroom is also an excellent instructor resource with practical suggestions on incorporating this effective approach in the classroom each taking sides reader features an annotated listing of selected world wide sites and is supported by our student website mhcls com online

this survey of social problems covers topics such as troubled institutions inequality deviance and global problems all the theoretical perspectives associated with each social problem are presented and controversial topics are included

in this 13th edition rick schaefer provides a comprehensive up to date introduction to sociology

that appeals to students with a diversity of learning styles the text focuses on sociology in the global community and encourages students to think about the world they're living in using a sociological imagination

In this brief text two leaders of the teaching sociology movement encourage students' development of their sociological imaginations through role taking assuming the role of a child living in poverty in India or of a member of an African tribe. Students learn to re-envision their global society. An innovative integrated framework provides core sociological concepts while features such as contributing to our social world enable students to do public sociology. Our social world condensed version presents the perspective of students living in the larger global world.
