as author marjorie schwarzer tells us a look at the past century of america s museums reveals a captivating if slightly imperfect real life masterpiece flowing with a vibrant palette of wealth and ambition accented by bold patches of jealousy generosity and rivalry artfully woven together into an elegant tapestry of passion mystery and intrigue during the past century u s museums have transformed themselves into cultural landmarks of our society institutions that educate inspire and lead their communities the story of that transformation is one that mirrors the history of the nation itself it includes many notable and some notorious characters and it involves some of history s most prominent american families getty rockefeller ford vanderbilt carnegie and many others published by the american association of museums to commemorate the year of the museum in 2006 and mark aam s centennial riches rivals and radicals 100 years of museums in america traces the rise of the american museum over the past century the history of museums in this country is one of america s greatest stories but it is a story that has never been told in its entirety until now said edward h able jr president and ceo of the american association of museums marjorie schwarzer has done a superb job of capturing the energy excitement and significance of 100 years of museums her book reminds us all just how much museums matter in our lives and how valuable museums will always be in our culture publisher

the author researched ten museums founded prior to 1870 using primary sources those chosen comprised a geographically diverse sample of pre 1870 american museums and covered a range of disciplines among them art history and natural science

this vintage volume contains a fascinating and informative treatise on the role of the art museum in modern america this thought provoking text explores the role of art and art exhibitions in the modern world analysing the history of modern art the changes in attitude and importance throughout the years and the future of art in modern society the chapters of this book include on art museums some american history our history continues the achievement problems and theories the problem of the american artist the problem of modern art casts and other reproductions etcetera this book is being republished now in an affordable modern edition complete with a new biography of the author

the museum in america captures the life stories of thirteen visionary museum leaders who helped transform the 19th century s collection of curios into today s institution of public service and education in the lively style of museum masters alexander recounts the stories of pioneers in american history science art and general museums for anyone interested in the history of the museum this volume is the place to start
