patricia leavy herself both a highly published qualitative researcher and a novelist explores the overlaps and intersections between these two ways of understanding and describing human experience including a methodological introduction and five stories showing these methods in action

the mc2 you may think you know what this familiar formula means but until you read sam silverstein's breakthrough book you will not know its true power or its potential this is the accountability formula and it forms the heart of the theory of accountability silverstein's theory of accountability has nothing to do with physics the speed of light or the relationship between space and time it has everything to do with personal and organizational growth and with establishing the kind of leadership in your own life that makes excuses a thing of the past and inspires true commitment from others the theory of accountability states our lived experience is the direct result of our mindset and our commitment squared silverstein's new book examines each of these critical elements in depth and shows you how to leverage the power of accountability to create a sustainable high performance life and organization e stands for experience our experience is the results the outcomes we achieve in our life in our business and everywhere else it is what we produce our experience impacts the lives of everyone we come in contact with the problem is all too often our experience is erratic random

unplanned and dysfunctional with results to match m stands for mindset the accountable mindset is based on a conscious decision to embrace possibility rather than fear when decisions are driven by fear our experience and the experience of everyone we come in contact with suffers on the other hand when decisions are driven by a set of beliefs that are based on valuing people and on a foundation of abundance rather than scarcity our experience improves c2 stands for commitment squared how do we ensure that our mindset is driven by possibility and abundance rather than by fear and scarcity by focusing on our ability to make keep and expand specific commitments there is truly awesome power in commitment the quality of the results you achieve is always based on two things how committed you are to people and how committed you are to your mindset and your core beliefs these are the two commitments of the accountable person when both kinds of commitments are in full play when you are all in you are living to your full potential such commitments are like compound interest because they produce increasingly greater results over time sam s latest book offers leaders a proven system for taking control of your life and transforming yourself and your organization by harnessing the awesome power of accountability

fit again is designed to get men out of the weekend warrior rut and into a regular exercise program based on the latest research its 90 day program will teach how any activity causes rapid changes in the muscles and how mild aerobic activity such as walking or pedaling a bike can build muscle mass improve cholesterol ratio lose fat and boost mood and energy levels

each number includes reviews and book notices
