first published in 1991 routledge is an imprint of taylor francis an informa company

this bibliography lists english language translations of twentieth century italian literature published chiefly in book form between 1929 and 1997 encompassing fiction poetry plays screenplays librettos journals and diaries and correspondence

providing the most complete record possible of texts by italian writers active after 1900 this annotated bibliography covers over 4 800 distinct editions of writings by some 1 700 italian authors many entries are accompanied by useful notes that provide information on the authors works translators and the reception of the translations this book includes the works of pirandello calvino eco and more recently andrea camilleri and valerio manfredi together with robin healey's italian literature before 1900 in english translation also published by university of toronto press in 2011 this volume makes comprehensive information on translations from italian accessible for schools libraries and those interested in comparative literature

a welcome and fascinating contribution for all who are interested in italian and comparative literatures and in feminine causes not only is it informative but it also gives a tapestryed picture of the struggle women had to further their cause both artistic and social in a highly patriarchal culture world literature today

a cycle of poems spoken in the voice of a community of swimmers and environmentalists who gather at one of the most beautiful natural springs in the us breathing under water is an anthology of poetry at once personal local and planetary weaving the voices dreams and real

time work of a community of dedicated swimmers and environmentalists who gather around an emerald spring fed fresh water swimming hole five minutes from the capital building in austin texas the poet creates a rich ethnographic voice the voice of a community working to preserve a natural treasure which is known far and wide a the soul of the city this is what poetry must be if it is to play a part in the future of american artistic expression with breathing under water we dip into the spirit of community all its laughter its tears its promise and fears all its crazy post modern complexity ric williams austin chronicle

the borgia family rumor and representation explores the historical and cultural structures that underpin the early modern borgia family their notoriety and persistence and reinvention in the popular imagination the book balances studies focusing on early modern observations of the Borgias and studies deconstructing later incarnations on the stage on the page on the street and on the screen it reveals how contemporary observers later authors and artists and generations of historians reinforced and perpetuated both rumor and reputation ultimately contributing to the borgia black legend and its representations focused on the deeds and posthumous reputations of pope alexander vi and his children cesare and lucrezia borgia the volume charts the choices made by the family and contextualizes them amid contemporary expectations and reactions extending beyond their deaths it also investigates how the Borgias became emblems of anti catholic and anti spanish criticism in the later early modern period and their residing reputation as the best and worst of the renaissance exploring a spectrum of traditional and modern media the borgia family contextualizes both borgia deeds and their modern representations to analyze the family's continuing history and meaning in the twenty first century it will be of great interest to researchers and students working on interdisciplinary aspects of the renaissance and early modern italy
