this book brings together a wide range of studies practical applications and reflective accounts written by academics working at a university in japan to present a cohesive overview of their collaborative efforts to promote learner reflection within their institution the book contributes to a shift in language education towards promoting learner responsibility and ownership of their learning through developing a deeper sense of awareness of and motivation for the learning process it makes a convincing case for showing that not only is promoting reflection possible but it can also be effectively integrated into language learning activities with significant benefits to the learners the chapters are highly practical for researchers and practitioners with the research chapters containing instruments which make them ideal for replication studies the text

includes a wealth of practical tools and activities for practitioners who will be able to experience first hand how to facilitate student success and increase satisfaction

this book explores language at the intersection of race and ethnicity and the institutional practices that still make for uneven access to education resources and a sense of belonging it takes a clear anti racist stance in the way it examines issues of language and power linguistic prejudice attitudes toward language and linguistic varieties the chapters cover the experiences of the authors in their personal and professional lives combining traditional academic texts with highly identity driven genres that include autoethnography and the reflective essay in addition to providing narrated resources for teachers the result is a dynamic innovative volume that dialogues openly with one of the most serious and pertinent debates of our time how to instigate institutional change that moves us away from racist practices the book is a reflection on how teachers and scholars can incorporate anti racism pedagogy and thought into their practice

twenty four established and emerging writers from the rappahannock region share their vision through stories and poems of nature love life and spirit plus quirky takes on the world around us
