from the bestselling law express revision series law express question and answer tort law is
designed to ensure you get the most marks for every answer you write by improving your
understanding of what examiners are looking for helping you to focus in on the question
being asked and showing you how to make even a strong answer stand out

in step with its rapid progress to the centre of modern social political and economic life the
internet has proven a convenient vehicle for the commission of unprecedented levels of
copyright infringement given the virtually insurmountable obstacles to successful pursuit of
actual perpetrators it has become common for intermediaries providers of internet related
infrastructure and services to face liability as accessories despite advances in policy at the
european level the law in this area remains far from consistently applicable this is the first
book to locate and clarify the substantive rules of european intermediary accessory liability
in copyright and to formulate harmonised european norms to govern this complicated topic
with a detailed comparative analysis of relevant regimes in three major member state
jurisdictions england france and germany the author elucidates the relationship between
these rules and the demands of eu law on fundamental rights and the principles of european
tort law she clearly presents the interrelations between such areas as the following
accessory liability in tort joint tortfeasance european fault based liability fault causation
defences negligence negligence balancing rights based or utility based germany s
disturbance liability störerhaftung fair balance in human rights end users fundamental rights
the european commission s 2015 communication on a digital single market strategy for

Europe the e-commerce directive and other relevant provisions safe harbours mere conduit caching hosting intermediary actions monitoring filtering blocking removal of infringing content and application of remedies damages and injunctions the strong points of each national system are highlighted as are the commonalities between them and the author uses these to build a proposed harmonised European framework for intermediary liability for copyright infringement she concludes with suggestions for the future possible integration of the proposed framework into EU law the issue of the liability of internet intermediaries for third party copyright infringement has entered into the political agenda across the globe giving rise to one of the most complex contentious and fascinating debates in modern copyright law this book offers an opportunity for a re-conceptualisation and rationalisation of the applicable law in a way which additionally better accounts for the cross border nature of the internet it will be of inestimable value to many interested parties lawyers internet intermediaries NGOs policymakers universities libraries researchers lobbyists in matters regarding the information society
