the recent commemoration of the fiftieth anniversary of john f kennedy s election as the thirty fifth president of the united states serves as a reminder of a period of time that many americans perceive as idyllic just as his election despite a near run thing had instilled a pervasive sense of hope throughout the country his assassination stunned the entire nation scarring the psyche of a generation of americans more than half a century later jfk continues to inspire debates about the effectiveness of the presidency as well as his own political legacy making the senator from massachusetts the object of many enduring myths that he would have been one of the country s greatest leaders had he lived he would have kept the us out of a full fledged vietnam war and that he was a martyr of right wing assassins his successor lyndon b johnson who did get the us deeply involved in vietnam while pursuing the social reforms of the great society at home and abroad also casts a long shadow in the twenty first century as the nation continues to deal with poverty racism and social injustice this second edition of historical dictionary of the kennedy johnson era covers its history through a chronology an introductory essay appendixes and an extensive bibliography the dictionary section has over 300 cross referenced entries on important personalities including the president his advisors his family his opponents and his critics as well as members of congress military leaders and international leaders this book is an excellent access point for students researchers and anyone wanting to know more about john f kennedy

john f kennedy a reference guide to his life and works cover all aspects of his life and work despite his short tenure in office kennedy shaped the domestic and international direction of the nation for decades to come he is remembered domestically for the hope and encouragement he instilled in the struggle for civil rights his support for the freedom riders and for equality for women abroad his memory lives in his handling of the cold war against an aggressive soviet union and such events as the berlin crisis and wall his intervention in the vietnam war the invasion of cuba and bay of pigs disaster the cuban missile crisis and the beginnings of space exploration all of which tested the young relatively inexperienced leader includes a detailed chronology detailing john f kennedy s life family and work the a to z section includes family members his handling of the cold war and such events as the berlin crisis and wall his intervention in the vietnam war the invasion of cuba and bay of pigs disaster the cuban missile crisis and the beginnings of space exploration the bibliography includes a list of publications concerning his life and work the index thoroughly cross references the chronological and encyclopedic entries

offers a lively well informed and perceptive analysis of the links between the postwar african american freedom struggle and various forms of black cultural expression and organizing

when edgar a love oscar j cooper frank coleman and ernest everett just founded the historically black fraternity omega psi phi on november 17 1911 at howard university they could not have known how great of an impact their organization would have on american life over the 110 years that followed its members led colleges and universities served in prominent military roles made innumerable contributions to education civic society science and medicine and at least one campaigned for the us presidency this book offers a comprehensive authoritative history of the fraternity emphasizing its vital role through multiple eras of the black freedom struggle the authors address both the individual work of its membership which has included such figures as carter g woodson bayard rustin roy

wilkins james i farmer jr benjamin elijah mays james clyburn jesse jackson and benjamin crump and the collective efforts of the fraternity s leadership to encourage its general membership to contribute to the struggle in concrete ways over the years the result is a book that uniquely connects the 1910s with the present showing the ongoing power of a black fraternal organization to channel its members toward social reform

uneven roads helps students grasp how when and why race and ethnicity matter in u s politics using the metaphor of a road with twists turns and dead ends this incisive text takes students on a journey to understanding political racialization and the roots of modern interpretations of race and ethnicity the book s structure and narrative are designed to encourage comparison and reflection students critically analyze the history and context of u s racial and ethnic politics to build the skills needed to draw their own conclusions in the third edition of this groundbreaking text authors shaw desipio pinderhughes frasure and travis bring the historical narrative to life by addressing the most contemporary debates and challenges affecting u s racial and ethnic politics students will explore important issues regarding voting rights political representation education and criminal justice policies and the immigrant experience

more than fifty years have passed since the american political science association published toward a more responsible two party system a controversial report that addressed the lack of national cohesion within the major parties although parties have changed a great deal since then they remain a critical component of american democracy while the possibilities and limits of responsible party government have been central topics in the literature since 1950 this book is the first to reassess all aspects of the apsa report here a distinguished group of scholars among them charles o jones barbara sinclair frank j sorauf john bibby and gerald pomper examine the effectiveness accountability and relevance of parties to the democratic process these articles cover all major relevant topics focusing on recent changes

in laws that govern parties innovations in party organization party finance and the relationships among political consultants and parties they examine the place of the party in government including chapters on the changing role of parties in congress and in the presidency and also consider the roles of parties among the electorate examining trends in voting behavior party identification and ideology a capstone essay by leon epstein the dean of american party scholars reviews the ongoing quest for responsible partisanship over the past half century these contributors offer a mixed assessment of the two party system showing that parties are in many respects stronger at the national level than they were in 1950 but not necessarily more responsible the most comprehensive description and analysis of american parties now available responsible partisanship should become required reading for all students and citizens concerned with making parties more accountable instruments of government
