awakening in an earth hospital unable to remember who he is or where he came from corwin is amazed to learn that he is one of the sons of oberon king of amber and is the rightful successor to the crown in a parallel world the details

of the memory challenged narrator's life sprinkle slowly into view as Corwin bluffs his way back into his embattled, fiercely competitive family and Amber's raging battles and a chess game of deceit and conquest within the clan all accompanied by paranormal powers and fierce pride flesh out the story.

Roger Zelazny's *Chronicles of Amber* have earned their place as all-time classics of imaginative literature. Now here are all ten novels together in one magnificent omnibus volume. Witness the titanic battle for supremacy waged on Earth in the courts of chaos and on a magical world of mystery, adventure, and romance.

Amber is the one real world casting infinite reflections of itself. Shadow worlds that can be manipulated by those of royal Amberite blood. But the royal family is torn apart by jealousies and suspicion. The disappearance of the patriarch, Oberon, has intensified the internal conflict by leaving the throne apparently up for grabs. In a hospital on the shadow Earth, a young man is recovering from a freak car accident. Amnesia has robbed him of all his memory, even the fact that he is Corwin, crown prince of Amber, rightful heir to the throne, and he is in deadly peril. The five books—*Nine Princes in Amber*, *The Guns of Avalon*, *Sign of the Unicorn*, *The Hand of Oberon*, and *The Courts of Chaos*—together make up the *Chronicles of Amber*, Roger Zelazny's finest work of fantasy and an undisputed classic of the genre.

Amber reveals the mysteries of King Oberon's disappearance, the Hellwitch's identity, and the magical pattern that holds the kingdom of Amber together. But his victory over the dark lands remains in doubt.

In the final novels of his ten-book *Amber* series, Roger Zelazny rewarded readers with several startling revelations about his fantasy universe. Fans discovered for the first time that Amber is not the one true world of which all others are, but shadows. Rather, the mysterious Courts of Chaos preceded the creation of Amber. It was also revealed that the mad mage Dworkin was the father of Oberon, founder of Amber's ruling dynasty, and that Dworkin's origins go further back in time than the founding of Amber itself. The dawn of Amber is a prequel series exploring events that precede the first novel in the series. That answers these intriguing questions. Here, in book one, you'll meet the young soldier known as Obere, as he's whisked away from the kingdom and world he has known and defended his entire life and placed on a knife's edge of turmoil, intrigue, domination, and death. He must learn what he can on the fly, unwilling to let friend and foe alike know how little he understands of this strange universe and the dangerous creatures that rule it. His life is in

jeopardy as is the entire house of dworkin the result of an ages old blood feud that threatens to destroy obere's new found family and any hope for a universe of light to balance and oppose the forces of chaos and darkness to achieve his legacy of power and become a player rather than a pawn in this deadly game whose rules he is yet to discover obere must journey into the serpent's lair the home of his enemies the courts of chaos

having realized that he no longer wants the throne of amber for himself corwin nevertheless confronts the villainy of his brother brand the treachery of some unusual places and creatures and the threat of rapidly approaching chaos in an attempt to help his father oberon king of amber to maintain the very existence of amber by healing the pattern

the first in a trilogy of prequel novels set in roger zelazny's amber universe this incredible novel tells the early stories of some of zelazny's most famous and beloved characters and answers key questions about the series that were left unresolved following the original author's death

provides detailed information on castle amber

amber is the one true world of which all others are but shadows collected here in one binding are seven tales of amber it was zelazny s intent to use these short stories to tie up unfinished threads from his amazing chronicles of amber with stunning illustrations this edition is sure to be a treat for the legion of amber fans a storyteller without peer he created worlds as colorful and exotic and memorable as any our genre has ever seen george r r martin his performance was never anything other than dazzling robert silverberg roger zelazny s work excited me it was intoxicating and delightful and unique and it was smart neil gaiman

merlin is a prince of chaos and amber corwin s son and heir he has grown up knowing that his legacy is to one day follow in his father s footsteps live up to his father s legend when corwin goes missing that day comes far sooner than he could ever have expected merlin must find his own identity as the ruler of the worlds and discover what kind of king he wants to be will he be a warrior like his father or embrace his own path as a hacker magician a generation after corwin s rise to the throne merlin is aided by powers beyond anything corwin could have imagined the epic magic from the chronicles of amber is wielded alongside sentient computers a vorpal sword and the ghosts of those who came before featuring the locus award winning trumps of doom the locus nominated blood of amber and sign of chaos and the final two novels knight of shadows and prince of chaos the second chronicles of amber continues the epic story of amber and the shadow worlds

all hail king oberon at last dworkin has created the magic pattern and amber has been established with its own myriad of shadow worlds now king oberon works on repairing castle amber after winning his epic battle with the forces of chaos and his world is at peace until he is attacked by a nightmare creature that refuses to die while everything in its path withers and turns to dust oberon leads the monster away from amber on through an almost infinite number of shadows and still the creature presses ever closer at last oberon travels to the world of the pattern itself his source of power to make a stand against it his fight from the center of the pattern rips the world asunder even damaging the pattern itself but oberon manages to defeat the deadly monstrosity and the pattern repairs itself still much time has passed and much damage has been done among other things when oberon returns to amber his father tells him that the pattern has been magically transported to the bowels of the castle further examination reveals that the original pattern remains where it was drawn and castle amber now possesses its identical double but

more damage than that may have been done in a single evening oberon discovers that amber hosts another race of creatures a whole civilization living beneath the ocean in a mirror duplicate of amber he learns that it too has had a copy of the pattern appear in its depths that the queen of the undersea kingdom knows all about him and desires him to get rid of the pattern from her realm and that she has plans for him and the powers to perhaps make her wishes real fans of the late roger zelazny s popular amber series should flock to this publishers weekly

in the nationally bestselling roger zelazny s the dawn of amber john gregory betancourt began the epic exploration into how the world of amber and all of its shadow worlds came into existence the young warrior named oberon who is destined to found a dynasty and rule over amber was rescued from attacking hell creatures by his father dworkin and introduced to his brothers and sisters and his heritage as a prince of the courts of chaos but the shadow world called juniper the home of dworkin and his kin came under deadly attack by unknown and overwhelming forces after sending the rest of the family to distant shadow worlds for their own safety dworkin and oberon and oberon s half brother aber traveled to the center of the known universe and the lair of their enemies the courts of chaos to put an end to the undeclared blood feud in to rule in amber the story picks up when oberon takes on the reins of leadership and he carves an empire from the new universe created by his father enemies new and old lie in wait and creating a kingdom for himself and his heirs requires delicate political maneuvering a will of iron and the might of a born warrior power mad siblings a madman for a father assassins and the king of chaos are just the beginning of his troubles oberon must learn to master them all if he is to rule in amber the more oberon tries to do to clear the family name the worse the situation becomes until the mysteriously missing dworkin trumps into the scene and snatches him away dworkin has no intention of trying to clear his name right now especially since he is a traitor having stolen the magical object known as the jewel of judgement this he needs to create a new equally powerful universe from which to oppose the courts of chaos the universe that will be known as amber a universe built from magic will power and royal blood
