A brand new contemporary romance from New York Times Wall Street Journal and USA Today bestselling author Katy Evans. It started as a game we flirted we played most importantly we won then I discovered who he was. Gambler, famous playboy, silver eyed player who never plays to lose and my best friend's soon to be brother in law Cullen Carmichael. He needed a good luck charm I needed a distraction so we made a gamble and set off for Vegas but pretty soon I was in too deep. My heart, soul and body weren't supposed to be part of the deal but somewhere between big wins and long nights my house of cards started to tumble. What was this devil with those piercing eyes doing to me? I'd given up on love but the wicked all in Cullen Carmichael was upping the ante and wouldn't stop until he'd won it all. Although this book is a complete standalone, characters from the Manwhore series appear.

A brand new sizzling standalone contemporary romance by New York Times and USA Today bestselling author Katy Evans. It was supposed to just be a quick trip to Manhattan. My best friend was heartbroken, she needed support and I needed inspiration. I hoped to love the city, bustling, crazy, inspiring New York but I ended up at the airport heading home in the same condition that I arrived in. A rut. Add to all that missing my flight and losing my laptop, the laptop where the best love story ever sat on my hard drive. Enter Noah Steele, eerily familiar movie star heartthrob, sultry, Romeo with bedroom eyes but we're not going there. He missed his flight too. Noah is so smoldering, lip biting hot, he's not taken seriously as an actor and is struggling to launch his career in New York. He's only ever had superficial girlfriends so he's having trouble showing true passion in his acting. The same challenge I'm having with this book. When we met we didn't know that our connection would bring us the change we'd been craving that we'd be the very thing the other needed and didn't know each other's muse. This book is a complete standalone and no previous reading is necessary to enjoy. Publisher's description.
