in a cold and heartless world tammy shel s the ethics of caring demonstrates that teaching can and should involve care for
 the student and a pedagogy of caring at the core of education combining philosophy with ethnography shel examines the
 definition of caring through the voices of five case studies of five teachers the book demonstrates that despite the challenges
 they cope with teachers can still make a difference in students lives and in society by doing more than teach for the test the
 book makes a significant contribution to the promotion of the ethics of caring in education and for humanity s welfare
 douglas kellner george f kneller chair in the philosophy of education ucla tammy shel s study presented in this powerful book
 adds important dimensions to the understanding of caring in classrooms furthermore the narrative and analysis of teachers
 teaching students learning and the contexts of schooling and communities provide for a deep theoretical and practical
 discussion of pedagogy vis a vis the larger purposes of education the discussions of caring as enacted in these cases are a
 solid and sophisticated contribution to further comprehend its complexity and challenges as well as an addition to the
 literature in the field this book is a must read for students of teaching for experienced practitioners and for teacher educators
