the sixth ling rinpoché 1903 83 was a towering figure in tibetan buddhism combining great learning with great humility he was ordained by the thirteenth dalai lama and went on to serve as the head of the geluk tradition and as the senior tutor to the present dalai lama in temperament and wisdom he had a profound influence on the dalai lama s spiritual development and he became a steadying presence for his holiness during the chaotic changes that defined the tibetan experience of the twentieth century with the invasion of their county by communist forces and the subsequent rebuilding of their culture in india ling rinpoché s extensive travels among exiled communities abroad and across india buoyed the spirits of the tibetan diaspora and the training and activities of this consummate buddhist master here told by the dalai lama in the traditional tibetan style will inspire and amaze

this first systematic survey of the tibetan non canonical literature dealing with sanskrit grammar partly consists of translations of indic works such as revisions of canonical versions and translations of works not contained in the canon and partly of original tibetan works in the first chapter of the book a detailed description of these textual materials is presented sixty one titles in total which were produced during all periods of tibetan literary history from the ninth to the twentieth centuries the second chapter discusses one specific effect of the impetus of indic traditional grammar within tibetan scholastics namely the influence of indic models of linguistic description on tibetan indigenous grammar this particular assimilation of an indic technical discipline into tibetan scholarship is examined in detail and it is shown that other segments of indic buddhism were sources of inspiration and derivation for the tibetan grammarians as well

dudjom rinpoche was one of the seminal figures in tibetan buddhism in the twentieth century yet very few of his religious writings have been translated into english this volume contains a generous selection of his inspiring teachings and writings the core of which is a lengthy discussion of the entire path of dzogchen including key instructions on view meditation and conduct along with direct advice on how to bring one s experiences onto the path also included in this book in their entirety are the oral instructions tantric songs and songs of realization from his holiness s collected works along with a generous selection of the aspiration and supplication prayers

johann daniel warlick emigrated from germany to pennsylvania in 1729 he married maria margaretta marsteller in about 1736 they had three children he married maria barbara schindler in about 1746 and had seven more children they moved to lincoln county north carolina in 1749 descendants and relatives lived in pennsylvania north carolina alabama tennessee and elsewhere

the tradition known as the path with the result or lamdre is the most important tantric system of meditation practice and theory in the sakya school of tibetan buddhism this volume contains an unprecedented compilation of eleven vital works from different periods in the history of the path with

the result in india and tibet including the vajra lines of the great indian adept virupa ca seventh eighth centuries the basic text of the tradition the collection also includes six writings by jamyang khyentse wangchuk 1524 68 and an instruction manual composed by the fifth dalai lama 1617 62 none of the works in this book have ever been published before in any european language and most of these writings traditionally have been considered secret the present translation an important new volume of the library of tibetan classics has been made with the personal approval and encouragement of his holiness sakya trizin head of the sakya tradition students of the lamdre will rejoice at the availability and lucidity of this major translation of key sakya texts
