the book describes how the courts dealt with murder beginning with the coroner s inquest and ending with the conviction and hanging of the murderer between these two points the exquisite almost ballistic procedure of the courts and their officers is described the crown s case against the prisoner is analyzed and the prisoner s defense is discussed magistrates policemen crown solicitors witnesses jurors judges and hangmen make their appearances the prisoners whose silence before and during their trials was their most notable characteristic in the nineteenth century courts make their appearances too but not as prominently as their judicial custodians until they finally and briefly come into the limelight on the gallows an implicit theme of the book is the apparent contradiction between the apparent simplicity of the courts procedures and the complexity of the rules that determined their operation the book relies on a range of printed primary sources such as newspapers parliamentary papers law reports and legal textbooks and on ms sources in the national archives such as the convict reference files series irish legal history society
