in the different versions of multiculturalism that have re shaped english speaking societies and political systems identities appear more plastic than in societies which have constructed their national narratives on more stubborn denials of their colonial and patriarchal pasts yet the myth of purity or authenticity and separatist temptations remain very real parameters of identity politics in such contexts crafting an identity for oneself implies expectations of consistency linked not only to the individual need to prove oneself and disprove stereotypes and statistics but also to the broader political goal of dis alienating or as it were de othering oneself and one s community the contributors to this

book explore the different ways from the most institutional to the most intimate in which people articulate the politics of memory and the creation of national narratives or communal and personal identities

for the first time author rick miller presents the story of the frontier battalion as seen through the eyes of its commander john b jones during his administration from 1874 to 1881 relating its history both good and bad chronologically in depth and in context highlighted are repeated budget and funding problems developing standards of conduct personalities and their interaction mission focus and strategies against indian war parties and outlaws and coping with politics and bureaucracy miller covers all the major activities of the battalion in the field that created and ultimately enhanced the legend of the texas rangers jones s personal life is revealed as well as his role in shaping the policies and activities of the frontier battalion

in the early hours of d day 1944 a group from the us army 2nd rangers battalion were sent on one of the legendary raids of world war ii the mission was to scale the cliffs overlooking omaha beach and assault the german coastal artillery at pointe du hoc it was thought that only a raid could ensure that the guns would remain silent during the d day landings but allied intelligence was wrong after climbing the cliffs under aggressive german fire and securing the battery site the rangers discovered that the guns themselves were no longer there it was only due to the heroic actions of the rangers involved that the guns were located in firing positions facing utah beach and destroyed before they could be used in the first of a brand new series for osprey this act of audacious daring is brought to life complete with illustrated artwork maps and rare german accounts taking a more critical look at the story steven zaloga analyses every detail from the intelligence failings to the boldness of the rangers in the face of such odds
