from the acclaimed authority on russia and the russian revolution the final volume in his magisterial history of the russian revolution covering the period from the outbreak of the

civil war in 1918 to lenin's death in 1924 offers a penetrating analysis of the making of the soviet system it is a passionate book whose outstanding scholarship is rooted in universal values like truth honor responsibility and the sacredness of human life philadelphia inquirer timely the work is enriched in intriguing ways by the author's access to the once secret archives of the soviet union los angeles times

this scarce antiquarian book is a facsimile reprint of the original due to its age it may contain imperfections such as marks notations marginalia and flawed pages because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work

the relationship between society and the regime has been central to much recent research in the field of soviet history in this book an international team of scholars investigates this theme in the revolutionary period and in the stalin years from the 1920s to the 1940s with an additional section on the bolshevik's relations with the outside world via the communist international based in moscow the use of fresh archival materials provides challenging new interpretations and insights

almost one hundred years after world war i and the russian revolution u s diplomat dewitt clinton poole's 1885-1952 perspective on his experiences negotiating with bolshevik authorities and monitoring anti bolshevik movements throughout the soviet union is now fully accessible through poole's perspective a key figure in u s soviet relations this book sheds new light on the russian revolution and world war i

the author of this book was in a position which allowed him to become thoroughly conversant with the working of the government machinery in russia and in this volume originally published in 1938 he presents the situation in soviet russia as it developed since the revolution of 1917 and discusses the events which led up to it based mainly on information drawn from soviet sources which the author acknowledges may not be impartial the author nevertheless maintains that a clear outline of the real situation may be inferred
