out of gas never with jesus examines the simplicity anyone can discover in having a very personal relationship with god the book closely explores this relationship from a christian perspective correlating the israelite journey from egypt to canaan through the wilderness the journey was only to take 11 days yet it took 40 years specific examples i state show very close similarities with christian behavior today these include constant bickering and complaining jealousy gossiping slandering and judging these behaviors cost the israelites 40 years in the wilderness when god desired the opposite to draw them into his rest and love where his intimate love overwhelms each one today too often christians make a relationship with god a religion with lists of rules and regulations god calls each person to rest in his unconditional love and acceptance god loves each person just as he is he only desires to restore that intimate love relationship that was lost when adam and eve first sinned therefore the majority of christians only burn out run out of gas in their christian walk with god they become miserable angry and judgmental especially to non christians they

clearly become hypocrites i know this from personal experience living that way for 17 years one will clearly see the excellent comparisons to the israelite journey through the wilderness to the behavior of many christians today however i do include the solution a true deep pure and intimate love relationship with god is not only possible but is god s deepest desire

this book describes the personal and spiritual benefits of living life in a way that matters with an awareness that one srquo s life can reflect a sense of higher purpose no matter what the circumstances the book draws upon religious philosophical and literary writings to show how humans in many cultures and historical epochs have pursued noble purposes by answering god s call as each hears it
