children grow up in a society that demands expertise in everything you really cannot sit back and decide that learning from textbooks is enough for the overall development of your child it s the age of specialization and your child cannot afford to miss out on this window of opportunity so scour your locality for the most advantageous programs and enroll them for the ones you think are the best after school programs are basically designed to develop a talent or a skill that is ignored by regular schools these programs could be educational or recreational in nature whatever type they are they basically aim to keep the child active and interested there is often a trap in the words after school activities one may easily believe that since these activities are after school they are not of much importance but one couldn t be more wrong research suggests that children pick up some of their most important skills from after school programs after school activities are all about boosting a child s sense of competence good and effective after school activities promotes the resilience of youth and encourages them to grow stronger be it mentally emotionally or physically a good after school activity will provide lots of opportunities for the young to increase their level of understanding of complex concepts development of academic personal and social skills is one of the prime aims of an after school activity as the skills develop the child s self esteem also increases the most important advantage of a good after school program is that it widens your child s area of interests he or she is introduced to new things sometimes interesting sometimes challenging mastering a new art form or a new skill increases the child s self esteem it also allows you to introduce your child to new career options what marks a successful after school program what are the things that you should look for when enrolling your child into one such program here s the catch this book will be your guide in discovering great after school program ideas and after school activities that are perfect for your kids this book highlights the following contents need for after school activities benefits of a good after school program successful after school programs after school activities and relationship building after school programs and discipline after school activities for the overweight after school activities for the hyperactive childbe the best parent you can be look for the perfect after school activity for your child now your kid deserves a few hours of pure delight

after school activities are the rage of the day with about 500 million invested in these programs and more than 10 million

children attending them in America alone the popularity of these activities cannot be overlooked everyone understands the need to develop new skills gain more knowledge and keep the children safe when parents are working the most important factor in the success of any program is the relationship between the children participating in the program and the adult members who work with these children often children may confide in an adult member who is not a teacher this kind of emotional interaction is a must when children are struggling to make sense of the whirlpool of emotions that assail them direct contact with professionals can be an inspiring experience children are very much impressed by the knowledge and experience of these adults young people gain a lot of knowledge and experience when they deal with experienced adults and older youth who serve as teachers or mentors in these programs these mentors are different from the teachers in the school and children are more likely to draw inspiration from them after school activities that are managed professionally by people who are successful in their own fields of expertise will produce children who are more enthusiastic and successful meaningful interaction with adults is a learning experience in itself

this volume contains activities games and recipes that are program tested and are appropriate to use in after school programs for children 5-12 years old in addition the authors have included information on topics such as how people learn the significance of play staff recruitment retention programming for middle school children communicating effectively with parents guiding children's behavior creating effective shared space managing successful group time planning a summer camp program for middle school children and hints for successful field trips
