please note this is a companion version not the original book sample book insights 1 i am a teacher and i love it i feel connected to the nursing part of my father s directive because of the healing effects my work has had on many people my education has been in journalism and theology but my work in medical intuition simply happened 2 i began to see images that had no apparent connection to the person i was reading these images were helpful for every person and one day in 1991 everything fell into place for me i was listening to a conversation between two women and they had immediately shared a life pattern that was noticeable in their heightened response to each other 3 i began to work with the archetypes in my readings and i began to see how they functioned within my own psyche i learned that each of us has our own personal alignment of key archetypes 4 the archetypal patterns work together to support your personal development they can be particularly helpful in healing painful memories or redirecting your life or finding a way to express your untapped creative potential

the author of the international bestsellers anatomy of the spirit and why people don t heal and how they can presents an exciting highly original programme in this fascinating book as a medical intuitive myss has found that people generally don t understand their purpose in life which has led to a spiritual malaise of epidemic proportions this metaphysical disease in turn leads to depression anxiety fatigue and eventually physical illness but our purpose our individual sacred contract is often difficult to comprehend caroline myss has developed an enjoyable and ingenious process for deciphering your own contract that builds on the works of jung plato and contemporary thinkers with her signature motivational style myss explains how you can identify your own spiritual energies or archetypes and use them to help you find out what you are here on earth to learn and

whom you are meant to meet in coming to know your archetypal companions you will also begin to see how to live your life in ways that make the best use of your personal power and lead you to fulfil your greatest in fact your divine potential

sacred contracts provides the answer to the question world famous intuitive healer caroline myss is most frequently asked why am i here what is my mission in life after 20 years of teaching people how to tap into their innate self healing powers myss feels that the lack of a mission or purpose to life is an emotional illness of epidemic proportions this can lead to physical illness and emotional distress including depression lethargy anxiety hopelessness and insecurity as people take their frustrations out on loved ones colleagues and children myss believes that our personal mission is part of a greater sacred contract that we agree to enter into before we are born based on her internationally acclaimed workshop of the same name sacred contracts will help you to uncover your sacred contract to develop better physical and emotional health and a clear sense of purpose

some books are deeper and more profound than others they touch us at a deep soul level this is one of those books your owner s manual for life epitomizes the truth that our greatest resource lies within jack canfield co creator of the chicken soup for the soul r book series i have never met anyone so completely dedicated to her vocation as maureen damery has been in her relentless pursuit of this book she is a student of life with a child s sense of wonder and a teacher of healing light and energy maureen s background in software development coupled with her deep spiritual commitment to healing the human soul have converged beautifully to co create with the divine and birth this incredibly insightful book getting lost in it may be the only way to find your true self karen biscoe cpc desiring more meaning fulfillment and joy in my life i embarked on a quest to actualize this aspiration your owner s manual for life is the synthesis of everything i ve learned believe and love a compendium of wisdom gleaned from experiential practice incorporating the works of new york times best selling authors and internationally renowned

carefully researched and comprehensive this reference gives extraordinary insights into the emotional world of animals and explores the healing powers of australian bush flower essences providing practical hints for keeping creatures fit and happy as well as dealing with health and behavior problems this helpful guide offers naturopathic remedies that are both safe and time saving exploring a variety of case studies particular australian bush flower essences are recommended to support sound management balanced diet and exercise by stabilizing the energy that is essential for the well being of animals while this handbook focuses primarily on dogs cats horses and birds more exotic creatures are covered in the repertory of symptoms section offered at the close

the therapeutic afterlife spirituality and the new sacred provides a compelling and original analysis of how contemporary self help literature is transforming our ideas about god the soul and life after death as more people identify as spiritual but not religious these concepts once grounded exclusively in formal religious traditions are now recast in the language of healing growth empowerment and wellness reshaping both spirituality and health discourses in the 21st century topics explored include after death communication near death experiences reincarnation past life memories karma mediumship paranormal trauma out of body experiences suicide angel therapy demonology spirit possession clinical exorcism psychic abilities and more the study shows how these themes are integrated into therapeutic culture reframing the afterlife as an essential part of a holistic transformative approach to living one that challenges conventional psychotherapeutic frameworks secular worldviews and

traditional religion it offers a novel examination of the popular afterlife therapeutic as indicative of a profound re enchantment of society its insights will resonate not only with scholars of sociology but also across related disciplines including psychology religious studies anthropology health education and cultural studies by conceptualizing the therapeutic afterlife as a new sacred paradigm this book provides an indispensable guide to one of the fastest growing fields in contemporary culture

the book of revelations describes the events leading up to the second coming of jesus christ the apostle john describes the 21st century while giving us essential information was 9 11 the beginning of world war iii are both bush administrations playing key roles in the incredible drama of the last days is president george w bush a hero or a villain will the next terrorist attack include nuclear radiation will the iraq war be the catalyst precipitating a series of events that will result in the death of one third of the human race what should we be doing now to become fully prepared for these cataclysmic events despite the terrible turmoil and the gathering clouds of doom we need not fear the plan of god will prevail satan will be defeated because the atonement of jesus christ has made it impossible for evil to survive in the end good will conquer evil the purpose of life is to make choices people who choose to love others and to be kind will fulfill the purpose of their mortal existence they are the people who are embracing the eternal opportunities that have been provided by god they will be happy forever
