pali is one of the middle indian idioms and the classical language of theravada buddhism it is therefore important both to linguists and students of buddhism this introductory book centres on a collection of original texts each selected as an especially important and beautiful formulation of a buddhist idea by means of a vocabulary translation and commentary each text is explained so concretely that it can be read with little preparation detailed explanations are provided for the many technical terms which have frustrated so many western explorers of buddhism for reference a grammar is provided sanskrit parallels to many of the words are given as well as a special chapter comparing the two languages

among the numerous lives of the buddha this volume may well claim a place of its own composed entirely from texts of the pali canon the oldest authentic record it portrays an image of the buddha which is vivid warm and moving chapters on the buddha s personality and doctrine are especially illuminating and the translation is marked by lucidity and dignity throughout

list of issues of the pali text society included in each volume

this book presents for the first time a critical study and translation of the gandhavamsa or book history of nandapanna of burma

this is an interdisciplinary and holistic survey of pali buddhism covering philological

indigenous and philosophical approaches in a single volume the work is divided into three main sections philological foundations insiders understandings and philosophical implications

this book is an authorized reprint of wikipedia articles pertaining to the pali canon the oldest collection of buddhist scriptures included are articles on pali the early buddhist schools and many suttas and other parts of the vinaya sutta and abhidhamma pitakas this book presents a comprehensive and in depth overview of the pali canon in a convenient collection

kaccayana pali vyakaranam is the earliest know ancient text of pali grammar it is indispensable for anyone who wants to study pali the historical buddha s spoken language which is also the sacred language of buddhism this book offers a comprehensive translation of the ancient grammatical text along with simple explanations of the necessary details this volume supports any serious student of pali who wishes to build a firm grammatical foundation upon which one may gradually develop the necessary linguistic skills and eventually master the pali language this book consists of the eight chapters found in the original pali text complemented by an introduction footnotes and appendices all brief grammatical rule called sutras are shown in both devanagari and romanized pali along with applicable example words non applicable examples and split sutra functions detailed meanings and relevant examples regarding the pali prefixes are also explained also included are details of a system of how verbs are formed to make the study of pali more accessible a brief study guide is also included in the introduction of the book

history of pali with a short discussion of major works in pali also an examination of the gammar and phonology of pali
