to convince yourself or someone else that suicide isn't the answer you must first accept this reality for some people it is the answer when Frank Selden came home from a tour in Iraq having been deployed as a member of the Washington Army National Guard he was a changed man he went from being a loving father supportive husband and proud soldier to someone who no longer loved his country or his own life he lived for several years under a dark cloud and tried killing himself four times he should have died each time but something providential intervened in the suicide solution he examines how he regained his joy for living and initiates an honest discussion on suicide including its benefits making blanket statements such as there is nothing to gain won't do anything to prevent suicide among those who see it as an attractive option with an average of twenty-two veterans killing themselves every single day and with suicide being the second leading cause of death in the 15 to 34 age group it's time to rethink suicide from the ground up

the Pearson Guide to Quantitative Aptitude for CAT 2e has everything you need to secure a top score in the quantitative aptitude papers of the CAT and other MBA entrance examinations written in a student-friendly style this book explains concepts in a concise manner and includes numerous examples and worked-out problems it also contains ample practice problems scientifically designed and arranged in four levels in an increasing order of difficulty the text also contains a chapter on Vedic Mathematics which provides unique time-saving and easy techniques for complex calculations
