4th 7th eds contain a special chapter on the role and function of the thesaurus in education by Frederick Goodman

This anthology is important for historians of education but it has a larger purpose public schools have remained a faithful barometer of the major economic political and social changes that swept across the nation social historians can learn much from this well written anthology Journal of American History a fine contribution to the history of public policy studies the public historian school reform activists sometimes forget that schools are a product of history that many proposed reforms were tried before with mixed results that understanding of the past is critical to our understanding of current efforts to improve schools these original studies of school reform in Indiana from before the Civil War to the most recent efforts offer a much needed perspective on the reoccurring struggle to remake the public schools in a new image

The Stories is a book about the stories in my life rather than the story of my life this book includes stories of the author as a youth growing up in the south under Jim Crow's racial segregation stories about his roles as a pioneer and leader of civil rights and stories about spiritual events and spiritual encounters there are also stories from his times as a school and college student public school teacher university professor for 42 years professional counselor professional consultant parent child and friend there is a total of 54 amazing stories that have spiritual implications and reflect intriguing social and psychological dynamics

thesaurus education includes a chapter on indexing and information retrieval methodology in the ERIC system references
