this report is a follow on to our report on the results of our audit of the internal revenue service s irs fiscal year 2000 financial

statements in fiscal year 2000 irs was able to produce for the first time combined financial statements that were fairly stated in all material respects this achievement was the result of the dedication and months of efforts of irs management and staff working around serious systems deficiencies and internal control weaknesses many of which have plagued irs since we first began auditing its financial statements in 1992 although this effort produced reliable financial statement balances they were reliable only for a single point in time and fell short of addressing the fundamental weaknesses in irs systems and internal controls as a result we gave an unqualified opinion on irs fiscal year 2000 financial statements but also concluded that irs did not maintain effective internal controls we also found two instances of noncompliance with laws and regulations relating to irs structuring of installment agreements and the timing of the release of tax liens

the modern law of contractbuilds on the success of the popular principlesof contract law taking account of a variety of theoretical approaches economic sociological and empirical the book combines meticulous examination of authorities and commentary with a modern and contextual approach the range of material covered combined with an accessible style means that this book meets the needs of all undergraduate contract courses enabling students to gain a profound understanding of this pivotal field it will also be useful for students studying contract law as part of another discipline
